

shipments of the subject merchandise during the period of review. Following our normal practice, the Department has requested detailed entry information from U.S. Customs and Border Protection (CBP). We have also asked both respondents to answer questions concerning their shipments during the period of review. After we receive all of the necessary information from the respondents and CBP, the Department will need time to analyze it and reach a decision. For these reasons, the Department has determined that it is not practicable to complete the preliminary results of this review within the original time period. Consequently, we are extending the time for the completion of the preliminary results of this review until no later than June 19, 2006, which is 290 days from the last day of the anniversary month of the date of publication of the order.

This notice is published in accordance to sections 751 and 777(i)(1) of the Act.

Dated: April 21, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

FOR FURTHER INFORMATION CONTACT: Lyn Johnson or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5287 and (202) 482-4477, respectively.

Extension of Deadline

At the request of various parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on polyethylene retail carrier bags from Thailand for the period January 26, 2004, through July 31, 2005. See *Initiation of Antidumping and*

Countervailing Duty Administrative Reviews and Request for Revocation in Part, 70 FR 56631 (September 28, 2005). Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue preliminary results of review within 245 days after the last day of the anniversary month of an order for which a review is requested and final results within 120 days after the date on which the preliminary results were published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

This review involves seven respondents. We received below-cost allegations after receipt of questionnaire responses and are currently conducting below-cost investigations for several of these respondents. Further, we have granted requests for extensions to the deadline for responding to our initial and supplemental questionnaires by all seven of the respondents. Due to the number of respondents in this review and the time we need to analyze and incorporate the information from recently filed submissions, we are extending the deadline for issuing the preliminary results of this review by 90 days until August 1, 2006.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: April 18, 2006.

SUPPLEMENTARY INFORMATION:

Background

On December 22, 2005, the Department published the preliminary results of its administrative review of the antidumping duty order on porcelain-on-steel cooking ware from the PRC. See *Preliminary Results*. The administrative review covers one exporter, Shanghai Watex Metal Co., Ltd. ("Watex"), and its exports of the subject merchandise to the United States during the period December 1, 2003, through November 30, 2004.

We invited parties to comment on our *Preliminary Results*. On January 17, 2006, we received a case brief from Watex. On January 19, 2006, we received petitioner's, Columbian Home Products, LCC ("Columbian"), request for removal of Watex's untimely new factual information from the record. On January 20, 2006, we sent respondent Watex a letter rejecting its previous case brief because it contained untimely new factual information. See Memorandum to the File From Scot Fullerton: *Porcelain-on-Steel Cooking Ware from the People's Republic of China: Revision of Watex Case Brief*, dated January 24, 2006. On January 24, 2006, the Department received the redacted version of Watex's case brief which no longer included the new factual information. See *Porcelain-on-Steel Cooking Ware from the People's Republic of China: Shanghai Watex Metal Products Co. Ltd.'s Revised Case Brief*, dated January 24, 2006 ("Watex Case Brief"). On January 25, 2006, we received petitioner's rebuttal brief. See *Porcelain-on-Steel Cooking Ware from the People's Republic of China: Petitioner's Rebuttal Brief*, dated January 25, 2006 ("Petitioner's Rebuttal Brief").
