

redetermination on remand to the CIT on December 13, 1999; the CIT affirmed the Department's final remand results and dismissed the case. See *Timken Company v. United States*, Slip Op. 200-13 (CIT February 8, 2000). On December 3, 2001, the Department published in the Federal Register its notice of *Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China; Amended Final Results of Antidumping Duty Administrative Reviews*, 66 FR 60196 (*Amended Final Results*). In that notice, the Department published the final margins following affirmation of final remand results by the CIT.

The Amended Final Results did not take into account, however, the final remand results of another decision by the CIT affecting the entries of one firm, Transcom, Inc., during the period of review. See *Transcom, Inc. v. United States*, Slip Op. 00-157 (CIT November 22, 2000). In that decision, the CIT remanded the case to the Department to liquidate Transcom's entries from certain exporters at a rate equal to the cash deposit required on the merchandise at the time of entry pursuant to 19 CFR 353.22(e).

As there is a final and conclusive court decision in this action, we are amending our final results of review, and we will instruct the Customs Service to liquidate relevant entries of Transcom, Inc., at a rate equal to the cash deposit required on the merchandise at the time of entry for this review period.

This notice is published pursuant to section 751(a) of the Act.

Dated: April 8, 2002.

Faryar Shirzad,

Assistant Secretary for Import Administration.
