the transfer agent. In addition, Rule 17Ad–13 requires that transfer agents maintain the independent accountant's report and any other documents required by the rule for at least three years, the first year in an easily accessible place. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. Small transfer agents and transfer agents that service only their own companies' securities are exempt from Rule 17Ad–13.

Approximately 100 professional independent transfer agents must file with the Commission one report prepared by an independent accountant pursuant to Rule 17Ad-13 each year. Commission staff estimates that, on average, the annual internal time burden for each transfer agent to submit the independent accountant's report to the Commission is minimal or zero. The time required for an independent accountant to conduct the study and evaluation of a transfer agent's system of internal accounting controls and complete the report varies depending on the size and nature of the transfer agent's operations. Commission staff estimates that, on average, each Rule 17Ad-13 report can be completed by the independent accountant in 120 hours. In light of Commission staff's review of previously filed Rule 17Ad-13 reports and Commission staff's conversations with transfer agents and accountants, Commission staff estimates that 120 hours are needed to perform the study and prepare the report on an annual basis. Commission staff estimates that the average hourly rate of an independent accountant is \$291, resulting in an annual external cost burden of \$34,920 for each of the approximately 100 professional independent transfer agents. The aggregate total annual external cost for the 100 respondents is approximately \$3,492,000.

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-442, OMB Control No. 3235-0498]

# Proposed Collection; Comment Request; Extension: Rule 17a-12

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17a–12 (17 CFR 240.17a–12) and Part II of Form X–17A–5 (17 CFR 249.617) under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a–12 is the reporting rule tailored specifically for over-the-counter ("OTC") derivatives dealers registered with the Commission, and Part II of Form X–17A–5, the Financial and Operational Combined Uniform Single ("FOCUS") Report, is the basic document for reporting the financial and operational condition of OTC derivatives dealers. Rule 17a–12 requires registered OTC derivatives dealers to file Part II of the FOCUS Report quarterly. Rule 17a–12 also requires that OTC derivatives dealers file audited reports annually.

The reports required under Rule 17a— 12 provide the Commission with information used to monitor the operations of OTC derivatives dealers and to enforce their compliance with the Commission's rules. These reports also enable the Commission to review the business activities of OTC derivatives dealers and to anticipate, where possible, how these dealers may be affected by significant economic events.

The Commission estimates that the total hour burden under Rule 17a–12 is approximately 540 hours per year, and the total cost burden is approximately \$138,900 per year.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by September 23, 2024.
