AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 20, 2008, the Department of Commerce ("Department") published in the **Federal Register** the final results of the second administrative review and concurrent new shipper review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). See *Wooden Bedroom Furniture from the People's Republic of China: Final Results of Antidumping Duty Administrative Review and New Shipper Review*, 73 FR 49162 (August 20, 2008) ("Final Results") and accompanying Issues and Decision Memorandum (August 8, 2007) ("Issues and Decision Memo"). The period of review ("POR") covered January 1, 2006, through December 31, 2006. On January 28, 2009, the Department published amended final results in the **Federal Register**. See *Amended Final Results of Antidumping Duty Administrative Review: Wooden Bedroom Furniture From the People's Republic of China*, 74 FR 4916 (January 28, 2009) ("First Amended Final Results"). We are amending our *First Amended Final Results* to correct ministerial errors made in the calculation of the antidumping duty margin for Fujian Lianfu Forestry Co./Fujian Wonder Pacific Inc./Fuzhou Huan Mei Furniture Co., Ltd./Jiangsu Dare Furniture Co., Ltd. (collectively, "the Dare Group") and Teamway Furniture (Dong Guan) Co., Ltd., and Brittomart Inc. (collectively "Teamway"), pursuant to section 751(h) of the Tariff Act of 1930, as amended ("Act"). These corrections will also affect the dumping margins for the other companies in the review to which a separate rate applies. Dumping margins calculated with respect to the new shipper review concurrent with this administrative review are unaffected by these amended final results. See the "Ministerial Error Memorandum for the Second Amended Final Results of the 2006 Administrative Review of Wooden Bedroom Furniture from the People's Republic of China" ("Ministerial Error Memo"), dated March 20, 2009.

written description of the scope of this proceeding is dispositive.

Ministerial Errors

A ministerial error is defined in section 751(h) of the Act and further clarified in 19 CFR 351.224(f) as “an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.”

After analyzing all interested parties’ comments, we have determined, in accordance with 19 CFR 351.224(e), that ministerial errors existed in certain calculations for the Dare Group and Teamway in the *First Amended Final Results*. Correction of these errors results in a change to the Dare Group’s and Teamway’s final antidumping duty margins. Additionally, the rate change for the Dare Group and Teamway also affects the dumping margins for the other companies subject to the administrative review that receive a separate rate. The dumping margin for the PRC-wide entity remains

unchanged. For a detailed discussion of these ministerial errors, as well as the Department’s analysis, see the Ministerial Error Memo. The Ministerial Error Memo is on file in the Central Records Unit, room 1117 in the main Department building.

Therefore, in accordance with section 751(h) of the Act and 19 CFR 351.224(e), we are amending the *First Amended Final Results* of the administrative review of wooden bedroom furniture from the PRC. The revised weighted-average dumping margins are detailed below. For company-specific calculations, see “Analysis Memorandum for the Second Amended Final Results for the Dare Group,” dated March 20, 2009, and “Antidumping Duty Administrative Review: Wooden Bedroom Furniture from the People’s Republic of China: Analysis of the Second Amended Final Results Margin Calculation for Teamway Furniture (Dong Guan) Ltd. and Brittomart Incorporated,” dated March 20, 2009. Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Disclosure

We will disclose the calculations performed for these final results within five days of the date of publication of this notice to interested parties in accordance with 19 CFR 351.224(b).

Assessment Rate

The Department will determine, and U.S. Customs and Border Protection

("CBP") shall assess, antidumping duties on all appropriate entries based on the second amended final results. For details on the assessment of antidumping duties on all appropriate entries, *see Final Results*.

Cash Deposit Requirements

The following cash deposit requirements, pursuant to 751(a)(2)(C) of the Act, will be effective retroactively on any entries made on or after August 20, 2008, the date of publication of the *Final Results*, for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) for the exporters listed above, the cash deposit rate will be the rates shown for those companies (except if the rate is *de minimis*, i.e., less than 0.5 percent, a zero cash deposit will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-Wide rate of 216.01 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These deposit requirements shall remain in effect until further notice.

These amended final results are published in accordance with sections 751(h) and 777(i)(1) of the Act.

Dated: March 20, 2009.
