Combating Exploitive Child Labor Through Education

AGENCY: Bureau of International Labor Affairs, U.S. Department of Labor.

ACTION: Notice of Intent to Solicit Cooperative Agreement Applications.

SUMMARY: The U.S. Department of Labor (USDOL), Bureau of International Labor Affairs (ILAB), intends to obligate approximately USD 21 million to support cooperative agreement awards to organizations to address exploitive child labor and forced labor internationally. ILAB intends to award, through a competitive and merit-based process, cooperative agreements to organizations to develop and implement formal, non-formal, and vocational education projects as a means to combat exploitive child labor in the following five countries: Guinea, Jordan, Madagascar, Nicaragua, and Yemen. ILAB intends to fund projects that focus on withdrawing and preventing children who are engaged in, or at risk of engaging in, exploitive child labor through the provision of direct educational services. The projects should propose innovative ways to provide these educational services to target populations and address the gaps and challenges to basic education found in the countries mentioned above. ILAB also intends to award a cooperative agreement to an organization(s) to conduct research on forced labor in selected countries to be determined. ILAB intends to solicit cooperative agreement applications from qualified organizations (*i.e.*, any commercial, international, educational, or non-profit organization, including any faith-based, community-based, or public international organizations(s), capable of successfully developing and implementing child labor projects) to implement these projects. Please refer to <http://www.dol.gov/ilab/grants/main.htm> for examples of previous notices of availability of funds and solicitations for cooperative agreement applications.

Information on the specific sectors, geographical regions, and funding levels for the potential projects in the countries listed above will be addressed in a solicitation(s) for cooperative agreement applications to be published prior to September 30, 2008.
