

Program Manager, determined that the human remains belonged to an individual of Native American ancestry, based on non-metric cranial traits. In 2019, Reclamation transferred the human remains to WSU-BAL for secure storage. The human remains belong to an adult male, 18 to 42 years of age. No associated funerary objects are present.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: anthropological, archeological, geographical, linguistic, oral traditional, other relevant information, and expert opinion.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the Reclamation Nebraska-Kansas Area Office has determined that:

- The human remains described in this notice represent the physical remains of 56 individuals of Native American ancestry.
- The 13 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and the Pawnee Nation of Oklahoma; Three Affiliated Tribes of the Fort Berthold Reservation, North Dakota; and the Wichita and Affiliated Tribes (Wichita, Keechi, Waco, & Tawakonie), Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows,

by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after January 12, 2024. If competing requests for repatriation are received, the Reclamation Nebraska-Kansas Area Office must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Reclamation Nebraska-Kansas Area Office is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and determined they are reasonably believed to be related to the lineal descendant in this notice. The human remains were collected at the Flandreau Indian School in Moody County, SD.

DATES: Repatriation of the human remains in this notice may occur on or after January 12, 2024.

ADDRESSES: Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617) 496-2374, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the PMAE.

Description

Human remains representing, at minimum, one individual were collected at the Flandreau Indian School in Moody County, SD. The human remains are hair clippings collected from one individual identified as "Sioux" who was recorded as being 16 years old. George E. Peters took the hair clippings at the Flandreau Indian School between 1930 and 1933. Peters sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Lineal Descent

The human remains in this notice are connected to an identifiable individual whose descendants can be traced directly and without interruption by means of a traditional kinship system or by the common law system of descentance.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate lineal descendants, Indian Tribes, and Native Hawaiian organizations, the PMAE has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a direct lineal descendant to the named individual whose human remains are described in this notice.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the lineal descendants, Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or

a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after January 12, 2024. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the lineal descendant identified in this notice.

Notice of Inventory Completion: Kansas State University, Manhattan, KS

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), Kansas State University has completed an inventory of human remains and associated funerary objects and has determined that there is no cultural affiliation between the human remains and associated funerary objects and any Indian Tribe. The human remains and associated funerary objects were removed from Geary County, KS.

DATES: Disposition of the human remains and associated funerary objects in this notice may occur on or after January 12, 2024.

ADDRESSES: Megan Williamson, Department of Sociology, Anthropology, and Social Work, Kansas State University, 204 Waters Hall, 1603 Old Claflin Place, Manhattan, KS 66506-4003, telephone (785) 532-6005, email mwillia1@ksu.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the

sole responsibility of Kansas State University. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by Kansas State University.

Description

Human remains representing, at minimum, two individuals were removed from Ruhnke Mound, 14GE605, in Geary County, KS. In September of 1980, Dr. Patricia J. O'Brien of Kansas State University conducted a one-day excavation at this site. The resulting assemblage was processed by Dr. O'Brien and then removed to the archaeology laboratory at Kansas State University for analysis, reporting, and curation, where it has since remained. The human remains were extremely fragmented. The 12 associated funerary objects are one lot consisting of wood fragments (approximately 17 pieces), one nutshell fragment, one lot consisting of miscellaneous seeds, one gastropod shell, one fragment of leather, one stone tool, two bifaces, one lot consisting of stone debitage (approximately 115 pieces), two stone cores, and one lot consisting of unworked rocks (approximately 109 pieces).

Aboriginal Land

The human remains and associated funerary objects in this notice were removed from a known geographic location. This location is the aboriginal lands of one or more Indian Tribes. The following information was used to identify the aboriginal land: treaties.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes, Kansas State University has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- The 12 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- No relationship of shared group identity can be reasonably traced between the human remains and associated funerary objects and any Indian Tribe.
- The human remains and associated funerary objects described in this notice were removed from the aboriginal land

of the Kaw Nation, Oklahoma; Pawnee Nation of Oklahoma; The Osage Nation; Three Affiliated Tribes of the Fort Berthold Reservation, North Dakota; and the Wichita and Affiliated Tribes (Wichita, Keechi, Waco, & Tawakonie), Oklahoma.

Requests for Disposition

Written requests for disposition of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in

ADDRESSES. Requests for disposition may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization, or who shows that the requestor is an aboriginal land Indian Tribe.

Disposition of the human remains and associated funerary objects described in this notice to a requestor may occur on or after January 12, 2024. If competing requests for disposition are received, Kansas State University must determine the most appropriate requestor prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. Kansas State University is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.
