

ERISA. The regulation requires plans to provide every claimant who is denied a claim with a written or electronic notice that contains the specific reasons for denial, a reference to the relevant plan provisions on which the denial is based, a description of any additional information necessary to perfect the claim, and a description of steps to be taken if the participant or beneficiary wishes to appeal the denial. The regulation also requires that any adverse decision upon review be in writing (including electronic means) and include specific reasons for the decision, as well as references to relevant plan provisions.

The information collection requirements included in the claims procedure regulation ensure that participants and beneficiaries (claimants) receive adequate information regarding the plan's claims procedures and the plan's handling of specific benefit claims. The Department has received approval from OMB for this ICR under OMB Control No. 1210–0053. The current approval is scheduled to expire on April 30, 2023.

*Title:* Prohibited Transaction Class Exemption 1992–6: Sale of Individual Life Insurance or Annuity Contracts by a Plan.

*Type of Review:* Extension of a currently approved collection of information.

*OMB Number:* 1210–0063.

*Affected Public:* Businesses or other for-profits.

*Respondents:* 10,853.

*Responses:* 10,853.

*Estimated Total Burden Hours:* 2,171.

*Estimated Total Burden Cost (Operating and Maintenance):* \$6,512.

*Description:* PTE 92–6 exempts from the prohibited transaction restrictions the sale of individual life insurance or annuity contracts held by an employee benefit plan to: (1) plan participants insured under such contracts; (2) relatives of such participants who are the beneficiaries under the contract, (3) employers, any of whose employees are covered by the plan; (4) other employee benefit plans that have a party in interest relationship; (5) owner-employees (as defined in section 401(c)(3) of the Code), (6) shareholder-employees (as defined in section 1379 of the Internal Revenue Code of 1954 as in effect on the day before the enactment of the Subchapter S Revision Act of 1982), or (7) trusts established by plan participants insured under such contracts or relatives of such participants who are the beneficiaries under the contract, for the cash surrender value of the contracts,

provided certain conditions set forth in the class exemption are met.

The disclosure requirement incorporated within this class exemption is intended to protect the rights of plan participants and beneficiaries by putting them on notice of the plan's intention to sell insurance or annuity contracts under which they are insured, and by giving them the right of first refusal to purchase such contracts. Without this disclosure requirement, the Department, which may only grant an exemption if it can find that participants and beneficiaries are protected, would be unable to effectively enforce the terms of the class exemption and ensure user compliance. The Department has received approval from OMB for this ICR under OMB Control No. 1210–0063. The current approval is scheduled to expire on June 30, 2023.

*Description:* Since January 1, 2014, individuals and employees of small businesses have had access to affordable coverage through a new competitive private health insurance market—Health Insurance Marketplace or also called “the exchange”. Section 1512 of the Affordable Care Act created a new Fair Labor Standards Act (FLSA) section 18B [29 U.S.C. 218b] requiring a notice to employees of coverage options available through the Marketplace.

Section 18B of the FLSA generally provides that, in accordance with regulations promulgated by the Secretary of Labor, an applicable employer must provide each employee at the time of hiring, a written notice: (1) Informing the employee of the existence of Exchanges including a description of the services provided by the Exchanges, and the manner in which the employee may contact Exchanges to request assistance; (2) If the employer plan's share of the total allowed costs of benefits provided under the plan is less than 60 percent of such costs, then the employee may be eligible for a premium tax credit under section 36B of the

Internal Revenue Code (the Code) if the employee purchases a qualified health plan through an Exchange; and (3) If the employee purchases a qualified health plan through an Exchange, the employee may lose the employer contribution (if any) to any health benefits plan offered by the employer and that all or a portion of such contribution may be excludable from income for Federal income tax purposes.
