

on the information submitted on this form to evaluate the lender's request

Due to the urgent need to make Form 3512 available to the PPP Lenders, SBA obtained emergency approval from OMB on December 9, 2020, to collect the information. SBA has made the following non-substantive revisions to the currently approved form, which will be submitted to OMB for review and approval:

- Revised the form in light of the new 2021 origination process for PPP loans, where loans are processed through SBA's Paycheck Protection Platform, rather than directly through SBA's ETRAN system.

- Clarified that corrections and reinstatements are subject to availability of funds.

- Deleted the sentence that states that SBA's program authority for PPP expired on August 8, 2020. That sentence referred to the expiration date of the 2020 program authority.

- Clarified that an Individual Taxpayer Identification Number (ITIN) is an acceptable Taxpayer Identification Number for the Borrower.

Abstract of Proposed Collection

To obtain biographical information about children overseas who intend to seek access to the USRAP, as well as other eligible family members or caregivers, for verification by the U.S. government. This form also assists DHS's U.S. Citizenship and Immigration Services to verify parent-child relationships during refugee case adjudication. This form is necessary for implementation of this program.

Methodology

Working with a State Department contracted Resettlement Agencies (RA), qualifying individuals in the United States must complete the AOR and submit supporting documentation to: (a) Establish that they meet the requirements for being a qualifying individual who currently falls into one of the aforementioned categories; (b) provide a list of qualifying family members who may seek access to refugee resettlement in the United States. Once completed, the form is sent by the RA to the Refugee Processing Center (RPC) for case creation and processing. The information is used by the RPC for case management; by USCIS to determine that the qualifying individual falls into one of the aforementioned categories; and by the Resettlement Support Center (RSC) for case prescreening and further processing after DHS interview. The International Organization for Migration (IOM) administers the RSC in Latin America under a Memorandum of Understanding with the Department to conduct case prescreening and assist in the processing of refugee applicants.

Deputy Director, Office of Directives Management, Department of State.
