DEPARTMENT OF EDUCATION

[CFDA NO. 84.031H]

Office of Postsecondary Education; Strengthening Institutions (SIP), American Indian Tribally Controlled Colleges and Universities (TCCU), Alaska Native and Native Hawaiian-Serving Institutions (ANNH) and Hispanic Serving Institutions (HSI) Programs; Notice Inviting Applications for Designation as Eligible Institutions for Fiscal Year (FY) 2003

Purpose of Programs: Under the SIP, TCCU, and ANNH Programs authorized under Part A of Title III of the Higher Education Act of 1965, as amended (HEA), institutions of higher education are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. Similarly, HSIs are eligible to apply for grants under the HSI Program, authorized under Title V of the HEA, if they meet specific statutory and regulatory requirements. In addition, an institution that is designated as an eligible institution under those programs may also receive a waiver of certain non-Federal share requirements under the Federal Supplemental Educational Opportunity Grant (FSEOG), the Federal Work Study (FWS), the Student Support Services (SSS) and the Undergraduate International Studies and Foreign Language (UISFL) Programs. The FSEOG, FWS and SSS Programs are authorized under Title IV of the HEA; the UISFL Program is authorized under Title VI of the HEA.

Qualified institutions may receive these waivers even if they are not recipients of grant funds under the Title III Part A or Title V Programs.

Special Note: To become eligible, your institution must satisfy a criterion related to needy student enrollment and one related to Educational and General (E&G) expenditures for a particular base year. Because we changed the collection processes for determining the thresholds for these criteria, we do not have base year data beyond 1999-2000. In order to award FY 2003 grants in a timely manner, we will use threshold data from base year 1999-2000 rather than a later base year. In completing your eligibility application, therefore, you are to use data from the base year 1999-2000.

Eligible Applicants: To qualify as an eligible institution under the Title III Part A or Title V Programs, an accredited institution must, among other requirements, have a high enrollment of needy students, and its E&G expenditures per full-time equivalent (FTE) undergraduate student must be low in comparison with the average E&G expenditures per FTE undergraduate student of institutions that offer similar instruction. The complete eligibility requirements for the HSI Program are found in 34 CFR 606.2-606.5. The complete eligibility requirements for the Title III Part A Programs are found in 34 CFR 607.2-607.5. The regulations may also be accessed by visiting the following Department of Education Web site: <http://www.ed.gov/legislation/FedRegister/finrule/1999-4/121599a.html>.

Enrollment of Needy Students: Under 34 CFR 606.3(a) and 607.3(a), an institution is considered to have a high enrollment of needy students if—(1) at least 50 percent of its degree students received financial assistance under one or more of the following programs: Federal Pell Grant, FSEOG, FWS, and Federal Perkins Loan Programs; or (2) the percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offered similar instruction.

To qualify under this latter criterion, an institution's Federal Pell Grant percentage for base year 1999-2000 must be more than the median for its category of comparable institutions provided in the table in this notice.

Educational and Expenditures per Full-Time Equivalent Student: An institution should compare its 1999-2000 E&G expenditures per FTE student to the average E&G expenditure per FTE student for its category of comparable institutions contained in the table in this notice. If the institution's E&G expenditures for the 1999-2000 base year are less than the average for its category of comparable institutions, it meets this eligibility requirement.

An institution's E&G expenditures are the total amount it expended during the base year for instruction, research, public service, academic support, student services, institutional support, operation and maintenance, scholarships and fellowships, and mandatory transfers.
