SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–XXX, OMB Control No. 3235–XXXX]

Proposed Collection; Comment Request: Rule 15c6–2

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information provided for in Rule 15c6–2 (17 CFR. 240.15c6–2) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*). The Commission will submit the collection of information to the Office of Management and Budget (“OMB”) for approval. The title of the information collection is “Rule 15c6–2.” An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Rule 15c6–2 was adopted as part of the final rules to shorten the standard settlement cycle for securities transactions from two business days after the transaction date to one business day following the transaction date. The compliance date for adopted Rule 15c6–2 is May 28, 2024. Certain provisions of Rule 15c6–2 contain “collection of information” requirements within the meaning of the PRA.¹ The requirements for this collection of information is mandatory for any broker or dealer (“broker-dealer”) engaging in the allocation, confirmation, or affirmation process with another party or parties to achieve settlement of a securities transaction that is subject to the requirements of

§ 240.15c6–1(a) to either enter into written agreements as specified in the rule or establish, maintain, and enforce written policies and procedures reasonably designed to address certain objectives related to completing allocations, confirmations, and affirmations as soon as technologically practicable and no later than the end of trade date.²

Specifically, for a broker-dealer that determines to establish, maintain, and enforce written policies and procedures pursuant to Rule 15c6–2(a), Rule 15c6–2(b) requires that such policies and procedures must be reasonably designed to (1) identify and describe any technology systems, operations, and processes that the broker-dealer uses to coordinate with other relevant parties, including investment advisers and custodians, to ensure completion of the allocation, confirmation, or affirmation process for the transaction; (2) set target time frames on trade date for completing the allocation, confirmation, and affirmation for the transaction; (3) describe the procedures that the broker-dealer will follow to ensure the prompt communication of trade information, investigate any discrepancies in trade information, and adjust trade information to help ensure that the allocation, confirmation, and affirmation can be completed by the target time frames on trade date; (4) describe how the broker-dealer plans to identify and address delays if another party, including an investment adviser or a custodian, is not promptly completing the allocation or affirmation for the transaction, or if the broker-dealer experiences delays in promptly completing the confirmation; and (5) measure, monitor, and document the rates of allocations, confirmations, and affirmations completed as soon as technologically practicable and no later than the end of the day on trade date.

The purpose of the collection under Rule 15c6–2 is to ensure that parties to institutional transactions—that is, transactions where a broker-dealer or its customer must engage with agents of the customer, including the customer's investment adviser or its securities custodian, to prepare a transaction for settlement—can ensure the completion of the allocation, confirmation, and affirmation process as soon as technologically practicable and no later than the end of the day on trade date.
