Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the "Act") by the Uruguay Round Agreements Act. Correction

On October 3, 2002, the Department published in the **Federal Register** a notice of final results for the first administrative review of stainless steel sheet and strip in coils from France (*see Stainless Steel Sheet and Strip in Coils from France: Final Results of Countervailing Duty Administrative Review*, 67 FR 62098 (October 3, 2002)). In the published version of that notice, the subsidy rate for Usinor was inadvertently listed as 1.90 percent *ad valorem*. *Id.* The correct subsidy rate for Usinor is 1.27 percent *ad valorem*. Therefore, we are correcting Usinor's subsidy rate to be 1.27 percent *ad valorem*.

This notice is issued and published pursuant to section 777(i)(1) of the Act.

Dated: October 10, 2002.

Faryar Shirzad,

Assistant Secretary for Import Administration.
