SUPPLEMENTARY INFORMATION:

Background

On August 3, 2023, Commerce initiated an administrative review of the antidumping duty order on cold-drawn mechanical tubing from India,¹ in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).² This review covers two producers/exporters of subject merchandise, Goodluck and TII. On January 31, 2024, Commerce extended the deadline for these preliminary results until June 28, 2024.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴

Scope of the Order

The merchandise subject to the Order is certain cold-drawn mechanical tubing of carbon and alloy steel from India. For a full description of the scope, see the Preliminary Decision Memorandum.

¹ See *Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from the People's Republic of China, the Federal Republic of Germany, India, Italy, the Republic of Korea, and Switzerland: Antidumping Duty Orders; and Amended Final Determinations of Sales at Less Than Fair Value for the People's Republic of China and Switzerland*, 83 FR 26962 (June 11, 2018); and *Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from India: Notice of Second Amended Final Determination; Notice of Amended Order; Notice of Resumption of First and Reinitiation of Second Antidumping Duty Administrative Reviews; Notice of Opportunity for Withdrawal; and Notice of Assessment in Third Antidumping Duty Administrative Review*, 86 FR 74069 (December 29, 2021) (collectively, Order).

In the August 3, 2023, notice (88 FR 51271), Commerce inadvertently listed Tube Product of India, Ltd., a unit of Tube Investments of India Limited. The correct spelling for this company is Tube Products of India, Ltd., a unit of Tube Investments of India Limited.

⁴ See Memorandum, “Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order on Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from India; 2022–2023,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. We calculated export price in accordance with section 772(a) of the Act. We calculated NV in accordance with section 773 of the Act.

For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Preliminary Results of the Review

We preliminarily determine that the following estimated weighted-average dumping margins exist for the period June 1, 2022, through May 31, 2023:

Exporter/producer	Weighted-average dumping margin (percent)
Goodluck India Limited	2.64
Tube Products of India, Ltd., a unit of Tube Investments of India Limited	2.44

Disclosure

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of this notice.⁵

Verification

As provided in section 782(i)(3)(B) of the Act and 19 CFR 351.307(b)(1)(iv), Commerce intends to verify the information provided by Goodluck prior to the final results of this administrative review.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this

⁵ See 19 CFR 351.224(b).

review.⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁷ Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.⁸

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.⁹ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁰

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS,¹¹ within 30 days after the date of publication of this notice in the **Federal Register**. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in case and rebuttal briefs.¹² If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by

telephone the date, time, and location of the hearing two days before the scheduled date.

Assessment Rates

Upon completion of the final results of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹³ Pursuant to 19 CFR 351.212(b)(1), if the weighted-average dumping margin for Goodluck or TII is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, we will calculate importer-specific assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales. If either respondent's weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review, and for future deposits of estimated duties, where applicable.¹⁴

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Goodluck or TII for which the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair-value (LTFV) investigation (i.e., 5.87 percent)¹⁵ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

¹³ See 19 CFR 351.212(b).

¹⁴ See section 751(a)(2)(C) of the Act.

¹⁵ See Order, 83 FR at 26965.

¹⁶ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margins established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by a company not covered in this review, but covered in a prior segment of the proceeding, the cash deposit rate will be the company-specific rate published for the most recently-completed segment in which it was reviewed; (3) if the exporter is not a firm covered in this review or in the original LTFV investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 5.87 percent, the all-others rate established in the LTFV investigation as adjusted for the export-subsidy rate in the companion countervailing duty investigation.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent

Raw Honey From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review; 2021–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that Ban Me Thout Honeybee Joint Stock Company (BMT), Daklak Honeybee Joint Stock Company (DakHoney), and 13 non-individually examined and separate-rate eligible exporters of raw honey from the Socialist Republic of Vietnam (Vietnam) sold subject merchandise to the United States at less than normal value (NV) during the period of review (POR) August 25, 2021, through May 31, 2023.

DATES: Applicable July 5, 2024.

FOR FURTHER INFORMATION CONTACT: Krisha Hill or Stephanie Trejo, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4037 or (202) 482–4390, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 10, 2022, Commerce published in the **Federal Register** the antidumping duty (AD) order on raw honey from Vietnam. On June 1, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.¹ In the *June Opportunity Notice* Commerce inadvertently listed an incorrect POR for this proceeding.² Commerce noted this error in its *August Initiation Notice* in which it initiated the review for this proceeding.³ Commerce also noted the error in a subsequent opportunity notice, giving parties a further opportunity to request an administrative review using the correct POR.⁴

On August 3, 2023, Commerce published in the **Federal Register** the initiation notice of an administrative review of the AD *Order* on raw honey from Vietnam.⁵ Commerce further published an addendum to the *August Initiation Notice* in which it initiated a review of raw honey from Vietnam for two companies, one that requested a review based on the *August Opportunity Notice* and one company for which Commerce failed to initiate a review based on its request for review made pursuant to the *June Opportunity Notice*.⁶ Commerce selected BMT and DakHoney as mandatory respondents in this administrative review.⁷

¹ See *Raw Honey From Argentina, Brazil, India, and the Socialist Republic of Vietnam: Antidumping Duty Orders*, 87 FR 35501 (June 10, 2022) (*Order*); and *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review and Join Annual Inquiry Service List*, 88 FR 35835 (June 1, 2023) (*June Opportunity Notice*).

⁶ See *Raw Honey From the Socialist Republic of Vietnam: Addendum to Initiation of Antidumping Duty Administrative Review*, 88 FR 65155 (September 21, 2023) (*August Initiation Notice Addendum*). The *August Initiation Notice* and *August Initiation Notice Addendum* list 35 companies. However, in the *August Initiation Notice*, Commerce mistakenly listed Hung Thinh Trading Pvt twice. Additionally, we note that review requests were filed for two separate companies with minor variations in their names: Daklak Honey Bee JSC and Daklak Honeybee Joint Stock Company, and Dong Nai Honey Bee Corp and Dongnai HoneyBee Corporation. Accordingly, Commerce initiated this administrative review with respect to the 32 companies.

⁷ See Memorandum, “Respondent Selection,” dated October 5, 2023.

On January 29, 2024, Commerce extended the deadline for these preliminary results to June 28, 2024.⁸ For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum.⁹

Scope of the Order

The product covered by this *Order* is raw honey from Vietnam. Raw honey is honey as it exists in the beehive or as obtained by extraction, settling and skimming, or coarse straining. The merchandise subject to this investigation is currently classifiable under statistical subheading 0409.00.0005, 0409.00.0035, 0409.00.0045, 0409.00.0056, and 0409.00.0065 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.

A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.¹⁰

Separate Rates

The Act and Commerce’s regulations do not address the establishment of a separate rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for separate-rate respondents which Commerce did not examine individually in an administrative review. Section 735(c)(5)(A) of the Act states that the all-others rate should be calculated by averaging the weighted-average dumping margins calculated for individually-examined respondents, excluding dumping margins that are zero, *de minimis*, or based entirely on facts available. For the preliminary results of this review, Commerce determined the estimated dumping margins for BMT and DakHoney to be 100.54 percent and 154.47 percent, respectively, and we have assigned to the separate-rate companies a rate of 120.92 percent, which is the weighted-
