Abstract of Proposed Collection

The information requested will be used to support entry of a minor's (an unmarried person under 18) name into the Children's Passport Issuance Alert Program (CPIAP). CPIAP provides a mechanism for concerned parents (other than parents whose parental rights have been terminated by court order), their appointed agents, or other persons having legal custody of the child to obtain information regarding whether the Department has received a passport application for the minor. This program was developed as a means to prevent international abduction of a minor or to help prevent other travel of a minor without the consent of a parent or legal guardian. If a minor's name and other identifying information has been entered into the CPIAP, when the Department receives an application for a new, replacement, or renewed passport for the minor, the application will be placed on hold for up to 60 days and the Office of Children's Issues will attempt to notify the requestor of receipt of the application. Form DS–3077 will be primarily submitted by a parent or legal guardian of a minor.

Methodology

The completed form DS–3077 may be submitted to the Office of Children's Issues by mail, by fax, or electronically through *http://www.travel.state.gov.*

Dated: March 28, 2006.
