**SUPPLEMENTARY INFORMATION:**

#### Background

This rule allows handlers to pack more individual pieces of fruit per 8-pound sample for seven size designations, eliminates one size designation, and adds two new size designations. These changes were unanimously recommended by the Committee and are expected to increase grower returns and enable handlers to compete more effectively in the marketplace. The rule was issued under Marketing Order No. 920, as amended (7 CFR part 920). The order is effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674).

#### Need for Correction

The interim final rule as published contains an error in the amendatory instructions affecting 7 CFR part 920. The amendatory instructions incorrectly indicate that the revised table in § 920.302 appears at the end of paragraph (a)(4)(iv). The revised table actually appears at the end of paragraph (a)(4)(iii) of that section.

#### Correction of Publication

Accordingly, in FR Doc. 01-27205, published October 29, 2001, page 54411, make the following corrections:

#### § 920.302 [Corrected]

1. On page 54414, in column 1, the amendatory instructions in number 2, are corrected to read as follows:

2. In § 920.302 the table in paragraph (a)(4)(iii) is revised to read as follows:

2. On page 54414, in column 1, in § 920.302, the paragraph designation (a)(4)(iv) is corrected to read (a)(4)(iii).

Dated: January 3, 2002.

## DEPARTMENT OF STATE

### 22 CFR Part 41

[Public Notice 3858]

#### Documentation of Nonimmigrants Under the Immigration and Nationality Act, as Amended— Additional International Organization

**AGENCY:** Department of State.

**ACTION:** Interim rule with request for comments.

**SUMMARY:** This rule adds INTELSTAT (following privatization) as an "international organization" to the current definition which includes within that term only organizations so designated by the President.

**DATES:** Effective January 11, 2002. Written comments may be submitted on or before March 12, 2002.

**ADDRESSES:** Written comments may be submitted, in duplicate, to the Chief, Legislation and Regulations Division, Visa Services, Department of State, Washington, DC 20520-0106.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth J. Harper, Legislation and Regulations Division, Visa Services, Department of State, Washington, DC 20520-0106, (202) 663-1221, e-mail [harperbj@state.gov](mailto:harperbj@state.gov), or fax at (202) 663-3898.

**SUPPLEMENTARY INFORMATION:** Section 301 of Public Law 106-396 (47 U.S.C. 763, October 30, 2000) provides that certain aliens who were officers or employees of INTELSTAT before its privatization and who had had and had maintained the status of "international organization alien" under the terms of section 101(a)(15)(G) of the Immigration and Nationality Act will continue to be eligible for such classification as long as they are officers or employees of INTELSTAT or any successor or separated entity of INTELSTAT. The current regulation (22 CFR 41.24) defines an "international organization" as one designated by the President as entitled to the privileges and immunities provided under the International Organizations Immunities Act (22 U.S.C. 288). Although INTELSTAT was and is so designated (while not yet privatized), it would appear that its status (and that of separated or successor entities) as an international organization for non-immigrant visa purposes after privatization would be contingent upon this legislation. It is believed, therefore, that the regulation should so specify in the interest of clarity.

No other changes are effected by this regulation.
