

Background

In our April 30, 2013, **Federal Register** notice, we invited public input on our intent to prepare a PEA and requested submissions in the form of information and suggestions on the issues that should be considered during the NEPA planning process and in the PEA. We held five scoping meetings in Columbia, North Carolina; Decatur, Alabama; Dyersburg, Tennessee; Natchez, Mississippi; and Alexandria, Louisiana. We also created a Web site on which the public could submit comments and suggestions.

After the scoping meetings and receipt of comments via the Web site, we began drafting the PEA, and were engaged in doing so when the Chief of the Service's National Wildlife Refuge System issued the July 17, 2014, memorandum announcing the phasing out of the use of GMCs to achieve wildlife management objectives throughout the National Wildlife Refuge System by January 2016. Upon issuance of the memorandum, we determined that the need to prepare the PEA no longer existed and abandoned such preparation.

Authority

This notice is published under the authority of the National Wildlife Refuge System Improvement Act of 1997 (16 U.S.C. 668dd *et seq.*).
