

IV. Other Issues for Consideration

The Agency invites comments on the “Electronic Submission Template for Medical Device 510(k) Submissions” draft guidance, in general, and on the following questions, in particular:

- Is a minimum of 1 year an adequate amount of time to transition to submissions solely in electronic format for 510(k) submissions using the eSTAR template?
- If a minimum of 1 year is not adequate, how much time would be necessary for you to transition to use of eSTAR as the required format for 510(k) submission?

Dated: September 22, 2021.

Acting Principal Associate Commissioner for Policy.
