DEPARTMENT OF HEALTH AND HUMAN SERVICES**Health Resources and Services Administration****Epilepsy Program**

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of Noncompetitive Program Expansion Supplemental Award to the Epilepsy Foundation of America.

SUMMARY: The Health Resources and Services Administration will be issuing noncompetitive supplemental funding under the Maternal and Child Health Bureau's Epilepsy Program to the Epilepsy Foundation of America (U23MC19824) to support additional evaluation activities.

SUPPLEMENTARY INFORMATION:

Intended Recipient of the Award: Epilepsy Foundation of America.

Amount of the Noncompetitive Supplemental Funding: \$250,700.

Authority: Section 501(a)(2) of the Social Security Act, as amended.

CFDA Number: 93.110.

Project Period: September 1, 2012, through August 31, 2013, for a total of 12 months.

Justification for the Exception to Competition: The Epilepsy Foundation of America currently contracts with Mathematica to evaluate the HRSA Epilepsy Program. There is a need to increase their allotted award through program expansion supplemental funds to support additional evaluation activities for Year 3. As a result of the evaluation, a quality improvement strategy for the Epilepsy Program will be developed and implemented by the Quality Improvement (QI) contractor. Results should provide a more comprehensive understanding of the impact across the entire program. Indicators and measures developed will also be used for the next competitive cycle to track performance, quality and outcomes within the context of the legislation and the newly published Institute of Medicine recommendations for the Epilepsies, focusing on evaluating prevention efforts.
