

program, qualified U.S. firms will receive funds through a cooperative agreement with ITA to help defray the cost of hosting interns. The information collected by the Application is needed by the SABIT staff to recruit and screen respondents and provide U.S. firms with a pool of eligible candidates from which to select interns. Intern applications are required to determine the suitability of candidates for SABIT internships. Feedback surveys and end-of-internship reports are needed to enable SABIT to track the success of the program as regards trade between the U.S. and the countries of Eurasia, as well as to improve the content and administration of the programs. The closing date for applications and supplemental materials is approximately 120 days after the date of publication in the **Federal Register**. Pursuant to section 632(a) of the Foreign Assistance Act of 1961, as amended (the "Act") funding for the program will be provided by the Agency for International Development (AID).

II. Method of Collection

Applications are sent to U.S. companies and intern candidates via facsimile or mail upon request. Feedback surveys are given to participating U.S. companies and interns at the completion of programs.

III. Data

OMB Number: 0625-0225.

Form Number: ITA-4143P-5.

Type of Review: Regular submission.

Affected Public: Business or other non-profit, individuals (non-U.S. citizens).

Estimated Number of Respondents: 1600.

Estimated Time Per Response: 1.8 hours.

Estimated Total Annual Burden Hours: 2,875.

Estimated Total Annual Costs: \$89,000.

IV. Request for Comments

Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have the practical utility; (b) the accuracy of the agency's estimate of the burden (including the hours and costs) of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: June 15, 2004.

Madeleine Clayton,

DEPARTMENT OF COMMERCE

International Trade Administration

[A-583-816]

Notice of Decision of the Court of International Trade: Certain Stainless Steel Butt-Weld Pipe Fittings From Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of decision of the Court of International Trade.

SUMMARY: On June 4, 2004, the Court of International Trade (CIT) reversed the Department of Commerce's (the Department's) antidumping duty order scope determination. *Allegheny Bradford Corporation, d/b/a Top Line Process Equipment Company v. United States*, Court No. 02-00073, Slip. Op. 04-59 (CIT, June 4, 2004) (*Allegheny Bradford Corp.*). Consistent with the decision of the United States Court of Appeals for the Federal Circuit (Federal Circuit) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the Department is notifying the public that the *Allegheny Bradford Corp.* decision was "not in harmony" with the Department's scope determination.

EFFECTIVE DATE: June 21, 2004.

FOR FURTHER INFORMATION CONTACT:

James Doyle, Office IX, DAS Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0159.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2001, the Department of Commerce (the Department) issued its *Final Scope Ruling on the Antidumping Duty Order on Stainless Steel Butt-Weld Pipe Fittings from Taiwan: Allegheny Bradford Corporation d/b/a Top Line Process Equipment*. In this ruling, the

Department found the subject merchandise in question to be within the scope of the order as the Department did not find the designation of the fittings as "tube" rather than "pipe" fittings to provide a meaningful distinction given the significant overlap between common usage of those two terms. Allegheny Bradford Corporation, d/b/a Top Line Process Equipment Company challenged this determination before the CIT arguing, in relevant part, that its stainless steel butt-weld tube fittings from Taiwan were improperly ruled to be within the scope of the antidumping duty order by the Department. On June 4, 2004, the CIT reversed the Department's antidumping duty order scope determination. *Allegheny Bradford Corp.* Stating that the scope of the antidumping duty order unambiguously excludes fittings which are not beveled, the CIT ordered that the Department must exclude the stainless steel butt-weld pipe fittings subject to this request from the scope of the antidumping order. *Id.*

Timken Notice

In its decision in *Timken*, the Federal Circuit held that, pursuant to 19 U.S.C. 1516a(e), the Department must publish notice of a decision of the CIT which is "not in harmony" with the Department's results. The CIT's decision in *Allegheny Bradford Corp.* was not in harmony with the Department's final scope determination. Therefore, publication of this notice fulfills the obligation. In addition, this notice will serve to continue the suspension of liquidation pending the expiration of the period to appeal the CIT's June 4, 2004, decision, or, if that decision is appealed, pending a final decision by the Federal Circuit. The Department will issue liquidation instructions and revise cash deposit instructions effective the date of publication of this notice in the **Federal Register** if the CIT's decision is not appealed, or if it is affirmed on appeal.

Dated: June 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.
