DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On November 1, 2016, the Department
of Justice lodged a proposed consent
decree with the United States District
Court for the District of Arizona in the
lawsuit entitled *United States v.*
WestRock CP, LLC, Civil Action No. CV-
16-08247-PCT-PGR.

The United States alleged that
WestRock CP, LLC—as the successor to
Southwest Forest Industries, Inc.—is
liable under Section 107 of the
Comprehensive Environmental
Response, Compensation, and Liability
Act (CERCLA), 42 U.S.C. 9607, for
reimbursement of response costs
incurred or to be incurred by the U.S.

connection with releases or threatened
releases of hazardous substances into
the environment at or from land
associated with a former wood-treating
facility located approximately 1 mile
northeast of Prescott, Arizona and on
the Yavapai-Prescott Indian reservation.
To date, unreimbursed response costs
have totaled approximately \$6.2
million. Under the proposed consent
decree and consistent with an earlier
bankruptcy settlement agreement, the
United States will be allowed a general
unsecured claim in the sum of \$2.8
million in the Chapter 11 bankruptcy
case involving WestRock CP, LLC's
predecessor Smurfit-Stone Container
Corporation. The allowed claim will be
satisfied as a cash distribution of
\$1,602,877.46; 56,064 shares of
WestRock Company stock; and 9,344
shares of Ingevity Corporation stock. In
return, the United States covenants not
to sue or take administrative action
against WestRock CP, LLC pursuant to
Sections 106 and 107(a) of CERCLA, 42
U.S.C. 9606 and 9607(a), and Section
