8:45 a.m., and you will be asked to identify yourself and your affiliation at the beginning of the call.

Information on Services for Individuals with Disabilities: For information on access or services for individuals with disabilities, please contact Christine Ross at 703–347–3389 or ross.christine@epa.gov. To request accommodation of a disability, please contact Christine Ross, preferably at least 10 days prior to the meeting, to give EPA as much time as possible to process your request.

FOR FURTHER INFORMATION CONTACT: For information on the public listening sessions, please contact Christine Ross, IRIS Staff, National Center for Environmental Assessment, (8601P), U.S. EPA, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; telephone: 703-347-3389; facsimile: 703-347-8689; or e-mail: ross.christine@epa.gov. If you have questions about the draft cerium assessment, contact Martin Gehlhaus, IRIS Staff, National Center for Environmental Assessment, (8601P), U.S. EPA, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; telephone: 703-347-8579; facsimile: 703-347-8689; or e-mail: gehlhaus.martin@epa.gov.

**SUPPLEMENTARY INFORMATION:** This listening session is a new step in EPA's revised process, announced on April 10, 2008, for development of human health assessments for inclusion on IRIS. The new process is posted on the NCEA home page under the Recent Additions menu at http://www.epa.gov/ncea. Two listening sessions are scheduled under the new IRIS process. The first is during the public review of the draft assessment that includes only qualitative discussion. The second session is during the public review of the externally peer-reviewed draft assessment; if feasible, this draft will include both qualitative and quantitative elements (i.e., a "complete draft"). All IRIS assessments that are at the document development stage will follow the revised process, which includes the two listening sessions. However, when EPA initiated the new IRIS process, its draft assessment for Cerium Oxide and Cerium Compounds had already been released for public review and comment, so EPA will only hold one listening session during the public review and comment period of the externally peer-reviewed draft.

Dated: May 28, 2008.

#### Peter W. Preuss,

Director, National Center for Environmental Assessment.

## ENVIRONMENTAL PROTECTION AGENCY

[EPA-R05-OAR-2007-0520; FRL-8574-9]

Adequacy Status of the Indiana and Ohio Portions of the Cincinnati-Hamilton, Ohio/Kentucky/Indiana, Submitted 8-Hour Ozone Attainment Demonstration for Transportation Conformity Purposes; Correction

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of adequacy; correction.

SUMMARY: This document corrects an error in the table posted in the April 23, 2008, notice of adequacy of the motor vehicle emissions budgets (MVEB) for the Indiana and Ohio portions of the Cincinnati-Hamilton OH/KY/IN area. The MVEBs were submitted by Indiana as part of the 8-hour ozone attainment demonstration for the area. The MVEB table in that notice conflicts with the actual MVEBs. EPA, therefore, is correcting the erroneous table.

**DATES:** *Effective Date:* This correction is effective on June 3, 2008.

## FOR FURTHER INFORMATION CONTACT:

Anthony Maietta, Life Scientist, Criteria Pollutant Section, Air Programs Branch (AR–18J), Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604, (312) 353–8777, maietta.anthony@epa.gov.

SUPPLEMENTARY INFORMATION: EPA published a notice of adequacy on April 23, 2008, (73 FR 21932) which finds the 2008 MVEBs for volatile organic compounds (VOC) and oxides of nitrogen (NO<sub>X</sub>) for the Indiana and Ohio portions of the Cincinnati-Hamilton OH/KY/IN area to be adequate for transportation conformity purposes. In this notice, EPA erroneously identified the 2008 MVEBs as 72.16 tons per day (tpd) for VOC and 18.99 tpd for NO<sub>X</sub>.

The table in that notice conflicts with the actual MVEBs. The actual 2008 MVEBs are 46.00 tpd for VOC and 91.36 tpd for NO $_{\rm X}$ . Therefore, the table is being corrected to refer to the correct budget amounts.

#### Correction

In the notice of adequacy published in the **Federal Register** on April 23, 2008,

(73 FR 21932), on page 21932, in second column, the table:

	2008 MVEB (tpd)
VOCNO <sub>X</sub>	72.16 18.99
is corrected to read:	
	2008 MVEB (tpd)
VOC NO <sub>X</sub>	46.00 91.36

Dated: May 20, 2008.

#### Richard C. Karl,

Acting Regional Administrator, Region 5. [FR Doc. E8–12373 Filed 6–2–08; 8:45 am]

### **FEDERAL RESERVE SYSTEM**

# Proposed Agency Information Collection Activities; Comment Request

**AGENCY:** Board of Governors of the Federal Reserve System.

**SUMMARY:** Background. On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act (PRA), as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. Boardapproved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

# Request for Comment on Information Collection Proposals

The following information collections, which are being handled under this delegated authority, have received initial Board approval and are hereby published for comment. At the end of the comment period, the proposed information collections, along with an analysis of comments and
