The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), based upon the importation into the United States, and the sale of certain disposable vaporizer devices and components and packaging thereof by reason false advertising, false designation of origin, and unfair competition, the threat or effect of which is to destroy or substantially injure an industry in the United States. The ID notes that the Proposed Respondents were served with a copy of the Motion to Amend “but none filed an opposition to [the] motion.” *Id.* at 7. The ID also finds that Complainants have established good cause to amend the complaint and notice of investigation to add allegations

that Proposed Respondents have violated section 337. *Id.* at 8. In addition, the ID finds that “the amendments will not prejudice respondents, the proposed respondents, OUII, or the public interest.” *Id.*

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID (Order No. 27). The following four entities are hereby added as respondents in this investigation: (1) Capital Sales; (2) Demand Vape; (3) Hong Kong IVPS; and (4) KMT Distribution.
