Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the Demonstration Grants for Indian Children program is to provide financial assistance to projects that develop, test, and demonstrate the effectiveness of services and programs to improve the educational opportunities and achievement of preschool, elementary, and secondary Indian students.

Background: The priority for Native Youth Community Projects is a new priority under the Demonstration Grants program and a major part of the Generation Indigenous (Gen-I) Initiative. These projects will provide funding to support community-driven, comprehensive projects to help American Indian/Alaska Native (AI/AN)

children become college- and career-ready.

Given the interconnectedness of in-school and out-of-school factors, the Department intends to award several grants to encourage a community-wide approach to providing academic, social, and other support services, for AI/AN students and students' family members that will result in improved educational outcomes, and specifically college- and career-readiness. Grantees' project evaluations will help inform future practices that effectively improve outcomes for AI/AN youth.

Priorities: This competition contains one absolute priority and five competitive preference priorities. In accordance with 34 CFR 75.105(b)(2)(ii), the absolute priority is from the notice of final regulations (34 CFR 263.21(c)(1) and 263.20) for this program (NFR), published in the **Federal Register** on April 22, 2015 (80 FR 22403). In accordance with 34 CFR 75.105(b)(2)(iv), competitive preference priority one is from section 263.21(c)(5) of the NFR, competitive preference priorities two and four are from section 263.21(b) of the NFR, competitive preference priority three paragraph (b) is from section 263.21(c)(2) of the NFR, and competitive preference priority five is from section 263.21(a) of the NFR. Competitive preference priority three paragraph (a) (relating to Promise Zones) is from the notice of final priority published in the **Federal Register** on March 27, 2014 (79 FR 17035).

Absolute Priority: For FY 2015 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is: *Native Youth Community Projects*.

A native youth community project is—

- (1) Focused on a defined local geographic area;
- (2) Centered on the goal of ensuring that Indian students are prepared for college and careers;
- (3) Informed by evidence, which could be either a needs assessment conducted within the last three years or other data analysis, on—
 - (i) The greatest barriers, both in and out of school, to the readiness of local Indian students for college and careers;
 - (ii) Opportunities in the local community to support Indian students; and
 - (iii) Existing local policies, programs, practices, service providers, and funding sources;

(4) Focused on one or more barriers or opportunities with a community-based strategy or strategies and measurable objectives;

(5) Designed and implemented through a partnership of various entities, which—

(i) Must include—

(A) One or more tribes or their tribal education agencies; and

(B) One or more Department of the Interior Bureau of Indian Education (BIE)-funded schools, one or more local educational agencies (LEAs), or both; and

(ii) May include other optional entities, including community-based organizations, national nonprofit organizations, and Alaska regional corporations; and

(6) Led by an entity that—

(i) Is eligible for a grant under the Demonstration Grants for Indian Children program; and

(ii) Demonstrates, or partners with an entity that demonstrates, the capacity to improve outcomes that are relevant to the project focus through experience with programs funded through other sources.

Competitive Preference Priorities: For FY 2015 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we will award up to an additional 9 points to an application, depending on how well the application meets one or more of these priorities.

These priorities are:

Competitive Preference Priority One

We award three points to an application proposing to serve a rural local community. To meet this priority, a project must include an LEA that is eligible under the Small Rural School Achievement (SRSA) or Rural and Low-Income School (RLIS) programs or a BIE-funded school that is located in an area designated by the U.S. Census Bureau with a locale code of 42 or 43.

Competitive Preference Priority Two

We award three points to an application submitted by an eligible Indian tribe, Indian organization, or Indian institution of higher education (IHE). A consortium of eligible entities or a partnership is eligible to receive the points only if the lead applicant is an Indian tribe, Indian organization, or Indian IHE.

Competitive Preference Priority Three

We award two points to an application that is either—

(a) Designed to serve a local community within a federally designated Promise Zone; or

(b) Submitted by a partnership or consortium in which the lead applicant or one of its partners has received a grant in the last four years under one or more of the following grant or enhancement programs:

(1) State Tribal Education Partnership (title VII, part A, subpart 3).

(2) Sovereignty in Indian Education Enhancements (Department of the Interior).

(3) Alaska Native Education Program (title VII, part C).

(4) Promise Neighborhoods.

Note: An application will not receive points for both (a) and (b).

Competitive Preference Priority Four

We award one point to an application that is not eligible under Priority 2 and is submitted by a consortium of eligible entities or a partnership that includes an Indian tribe, Indian organization, or Indian IHE.

Competitive Preference Priority Five

We award one point to an application with a plan for combining two or more of the activities described in section 7121(c) of the ESEA over a period of more than one year.

Note: Applications that propose a project to meet the absolute priority will likely meet this competitive preference priority.

Application Requirements: The following requirements apply to all applications submitted under this competition and are from section 263.22 of the NFR, published in the **Federal Register** on April 22, 2015 (80 FR 22403). Each application must contain:

(a) A description of how Indian tribes and parents of Indian children have been, and will be, involved in developing and implementing the proposed activities.

(b) Assurances that the applicant will participate, at the request of the Secretary, in any national evaluation of this program.

(c) Information demonstrating that the proposed project is based on scientific research, where applicable, or an existing program that has been modified to be culturally appropriate for Indian students.

(d) A description of how the applicant will continue the proposed activities once the grant period is over.

(e) Evidence, which could be either a needs assessment conducted within the last three years or other data analysis, of—

(1) The greatest barriers, both in and out of school, to the readiness of local Indian students for college and careers;

(2) Opportunities in the local community to support Indian students; and

(3) Existing local policies, programs, practices, service providers, and funding sources.

(f) A copy of an agreement signed by the partners in the proposed project, identifying the responsibilities of each partner in the project. The agreement can be either—

(1) A consortium agreement that meets the requirements of 34 CFR 75.128, if each of the entities are eligible entities under this program; or

(2) Another form of partnership agreement, such as a memorandum of understanding or a memorandum of agreement, if not all the partners are eligible entities under this program.

(g) A plan, which includes measurable objectives, to evaluate reaching the project goal or goals.

Statutory Hiring Preference:

(a) Awards that are primarily for the benefit of Indians are subject to the provisions of section 7(b) of the Indian Self-Determination and Education Assistance Act (Pub. L. 93-638). That section requires that, to the greatest extent feasible, a grantee—

(1) Give to Indians preferences and opportunities for training and employment in connection with the administration of the grant; and

(2) Give to Indian organizations and to Indian-owned economic enterprises, as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452(e)), preference in the award of contracts in connection with the administration of the grant.

(b) For purposes of this section, an Indian is a member of any federally recognized Indian tribe.

Program Authority: 20 U.S.C. 7441.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99. (d) The regulations for this program in 34 CFR part 263, including the recent amendments of the NFR, published in the **Federal Register** on April 22, 2015 (80 FR 22403).

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under *For Further Information Contact* in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review*: This competition is subject to E. O. 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under E. O. 12372 is in the application package for this competition.

5. *Funding Restrictions*: We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management*: To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number

can be created within one-to-two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov and before you can submit an application through Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.grants.gov/web/grants/register.html

7. *Other Submission Requirements*: Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications*.

Applications for grants under the Indian Education—Demonstration Grants for Indian Children program, CFDA number 84.299A, must be

submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Indian Education—Demonstration Grants for Indian Children program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.299, not 84.299A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date.

Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application

deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a PDF (Portable Document) read-only, non-modifiable format. Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk,

toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that the problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: David E. Emenheiser, U.S. Department of Education, 400 Maryland Avenue SW., Room 3W215, Washington, DC 20202-6335. FAX: (202) 401-0606.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.299A) LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202-4260.

- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report

that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department has developed the following performance measures for measuring the overall effectiveness of the Demonstration Grants for Indian Children program:

(1) The percentage of the annual measurable objectives, as described in the application, that are met by grantees; and

(2) The percentage of grantees that report a significant increase in community collaborative efforts that promote college and career readiness of Indian children.

These measures constitute the Department's indicators of success for this program. Consequently, we advise an applicant for a grant under this program to give careful consideration to these measures in developing the proposed project and identifying the method of evaluation. Each grantee will be required to provide, in its annual performance and final reports, data about its progress in meeting these measures.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
