

Wisconsin Heritages, Inc. v. Harris, 490 F. Supp. 1334 (E.D. Wis. 1980). Because of these court rulings, it is very important that persons interested in this proposed action participate by the close of the 45-day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final EIS. To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments should be as specific as possible.
