I. Introduction

On December 9, 2013, the Postal Service filed notice that it has agreed to an amendment to the existing Parcel Select Contract 6 subject to this docket.¹

The Postal Service includes on attachment in support of its Notice:

- Attachment A—a redacted copy of the amendment to the existing Parcel Select Contract 6.

The Postal Service also filed the unredacted amendment under seal. It asserts that the "supporting financial documentation and financial certification initially provided in this docket remain applicable." *Id.* at 1. It also contends that the amendment "will not materially affect the cost coverage" of the product. *Id.* The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of customer-identifying information that it has filed under seal. *Id.*

The amendment modifies both the mythology for pricing applicable to the second year of the contract and the annual price adjustment provision used to calculate prices for the third year of the contract. *Id.* Attachment A at 1.
