DEPARTMENT OF EDUCATION

[Docket No.: ED-2023-SCC-0023]

Agency Information Collection Activities; Comment Request; Student Assistance General Provision— Subpart E—Verification Student Aid Application Information

AGENCY: Federal Student Aid (FSA),
Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing an extension without change of a currently approved information collection request (ICR).

DATES: Interested persons are invited to submit comments on or before MARCH 31, 2023.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED-2023-SCC-0023. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. If the regulations.gov site is not

available to the public for any reason, the Department will temporarily accept comments at ICDocketMgr@ed.gov. Please include the docket ID number and the title of the information collection request when requesting documents or submitting comments. Please note that comments submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Manager of the Strategic Collections and Clearance Governance and Strategy Division, U.S. Department of Education, 400 Maryland Ave., SW, LBJ, Room 6W203, Washington, DC 20202-8240.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Beth Grebeldinger, (202) 377-4018.

SUPPLEMENTARY INFORMATION: The Department, in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Student Assistance General Provision—Subpart E—Verification Student Aid Application Information.

OMB Control Number: 1845-0041.

Type of Review: Extension without change of a currently approved ICR.

Respondents/Affected Public: Private sector; individuals and households; State, local, and Tribal governments.

Total Estimated Number of Annual Responses: 23,855,169.

Total Estimated Number of Annual Burden Hours: 3,835,338.

Abstract: This request is for an extension of the information collection supporting the policies and reporting requirements contained in subpart E of part 668—Verification and Updating of Student Aid Application Information. Sections 668.53, 668.54, 668.55, 668.56, 668.57, 668.59 and 668.61 contain information collection requirements (OMB control number 1845–0041). This subpart governs the verification and updating of information provided on the Free Application for Federal Student Aid (FAFSA) which is used to calculate an applicant's Expected Family Contribution (EFC) for purposes of determining an applicant's need for student financial assistance under Title IV of Higher Education Act of 1965, as amended (HEA). The collection of this documentation helps ensure that students (and parents in the case of PLUS loans) receive the correct amount of Title IV program assistance by providing accurate information to calculate an applicant's expected family contribution. There has been no change to the regulatory language since the prior information collection filing.

Dated: January 24, 2023.

Kun Mullan,

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.

BILLING CODE 4000–01–P

DEPARTMENT OF ENERGY

Notice of Request for Information (RFI) Regarding Grant Program To Facilitate the Siting of Interstate Electricity Transmission Lines

AGENCY: Grid Deployment Office, Department of Energy.

ACTION: Request for information.

SUMMARY: The Department of Energy (DOE) Grid Deployment Office (GDO) invites public input for its Request for Information (RFI) regarding issues related to the provision of grants to facilitate the siting of interstate and offshore electricity transmission lines, as authorized under the Inflation Reduction Act (IRA). This provision of the IRA authorizes the issuance of grants to siting authorities to facilitate the siting of interstate and offshore electricity transmission lines and to siting authorities and State, local, and

Tribal governments to undertake economic development activities for communities impacted by such projects. Information collected from this RFI will be used by DOE for program planning purposes and the potential development of a Funding Opportunity Announcement (FOA).

DATES: Responses to this RFI must be received by no later than 5:00 p.m. EST on February 28, 2023.

ADDRESSES: Interested parties are to submit comments electronically to GDOIRASection50152@hq.doe.gov. RFI can be found at: <https://www.energy.gov/gdo/transmission-siting-and-economic-development-grants-program>. Include “RFI for Transmission Siting and Economic Development Grants” in the subject line of the email. Responses must be provided as a Microsoft Word (.docx) or PDF attachment to the email, and no more than 15 pages in length, 12-point font, 1-inch margins. It is recommended that attachments with file sizes exceeding 25MB be compressed (*i.e.*, zipped) to ensure message delivery. For ease of replying and to aid categorization of your responses, please copy and paste the RFI questions, including the question numbering, and use them as a template for your response. Respondents may answer as many or as few questions as they wish. Respondents are requested to provide the following information at the start of their response to this RFI:

- Company/institution name.
- Company/institution contact.
- Contact's address, phone number, and email address.

FOR FURTHER INFORMATION CONTACT:

Questions may be addressed by email to GDOIRASection50152@hq.doe.gov.

Questions about the RFI may be addressed to Jordan Meehan at (202) 586–2006. Further instructions can be found in the RFI document posted at <https://www.energy.gov/gdo/transmission-siting-and-economic-development-grants-program>.

SUPPLEMENTARY INFORMATION: The purpose of this RFI is to solicit feedback from the public on siting authority and economic development activities that could be supported by grants under section 50152 of the IRA. DOE is also seeking feedback on the overall goals and programmatic objectives that DOE should consider when making grants under this section, including those related to environmental and energy justice, equity, job quality, and tribal cultural resources.

Section 50152 of the IRA authorizes the Secretary of Energy (Secretary) to make grants to siting authorities to carry

out certain eligible activities that will facilitate the siting and permitting of certain interstate onshore and offshore electricity transmission lines. Section 50152 also authorizes the Secretary to make grants to siting authorities, or other State, local, or Tribal governmental entities, for economic development activities in communities that may be affected by the construction and operation of these transmission projects. The IRA makes funding for such grants available through September 30, 2029.

To help inform DOE's implementation of section 50152 of the IRA, this RFI seeks input on the following topics related to grants under this section:

- A. Eligible Siting Activities With Respect to Covered Projects
- B. Economic Development Activities for Affected Communities
- C. Equity, Energy, and Environmental Justice

The complete RFI be found at: <https://www.energy.gov/gdo/transmission-siting-and-economic-development-grants>.

Proprietary and Confidential Information

Because information received in response to this RFI may be used to structure future programs and grants and/or otherwise be made available to the public, respondents are strongly advised NOT to include any information in their responses that might be considered business sensitive, proprietary, or otherwise confidential. If, however, a respondent chooses to submit business sensitive, proprietary, or otherwise confidential information, it must be clearly and conspicuously marked as such in the response. Responses containing confidential, proprietary, or privileged information must be conspicuously marked as described below. Failure to comply with these marking requirements may result in the disclosure of the unmarked information under the Freedom of Information Act or otherwise. The U.S. Federal Government is not liable for the disclosure or use of unmarked information and may use or disclose such information for any purpose.

Confidential Business Information. Pursuant to 10 CFR 1004.11 any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email two well marked copies: one copy of the document marked “Confidential Commercial and Financial Information” including all the information believed to be confidential, and one copy of the document marked
