## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on May 3, 2000, a proposed Consent Decree in *United States v. Cedar Wood Apartments, Inc. et al*, Civil Action No. 00-C-2451, was lodged with the United States District Court for the Northern District of Illinois.

This consent decree represents a settlement of claims brought against the following twenty-four defendants under section 107 of CERCLA, 42 U.S.C. 9607, for the recovery of costs incurred by the United States in responding to the release or threatened release of hazardous substances at and from the Tri-County/Elgin Landfill Superfund Site in Elgin, Illinois: Cedar Woods Apartments, Inc.; Clarence Davids & Company; Eaton's Red Wood Inn; Elgin Academy; Elgin Public School District 46; Elgin Rehabilitation Center; Elgin Turners; The Famous Chili Pub, Ltd.; Genoa-Kingston Community Unit School District #424; Golf Rose Animal Hospital; Hampshire Grade School and Hampshire High School (Community Unit School District 300); Hiawatha Public School; Jewel Food Stores; Judson College; Olde Towne Animal Hospital; Pal Joey's Restaurant and Lounge; Rand Grove Partnership, an Illinois Partnership (owner and operator of Rand Grove Village Apartments); Red Lobster Inns of America, Inc. (n/k/a/ GMRI, Inc.), a Florida Corporation; West Chicago School District #33; St. Joseph Hospital; Town & Country Gardens; Vavrus & Associates; Village of Carol Stream; and Village Squire.

The United States Postal Service is also a party to the proposed Consent Decree. Through the Consent Decree, the United States Postal Service would resolve potential contribution claims that may be asserted against the United States due to alleged liability on behalf of the United States Postal Service.

Under the proposed settlement, the defendants and the United States Postal

Service will collectively pay \$168,069.42.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Cedar Wood Apartments, Inc. et al*, D.J. Ref. 90-11-3-1088/2.

The Consent Decree may be examined at the office of the United States Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611. In requesting a copy, please enclose a check in the amount of \$13.00 (25 cents per page reproduction cost, 52 pages) payable to the Consent Decree Library.

BILLING CODE 4410-15-M

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Pursuant to the Clean Water Act

Notice is hereby given, in accordance with 28 CFR 50.7, that on May 11, 2000, the United States lodged a proposed Consent Decree with the United States District Court for the Western District of Wisconsin, in *United States v. Enzyme Bio-Systems, Ltd.*, Case No. 00-C-283-S (W.D. Wis.), under section 309 of the Clean Water Act, 33 U.S.C. 1319. The proposed Consent Decree resolves certain claims of the United States against Enzyme Bio-Systems, arising out of Enzyme Bio-Systems' plant located at 2600 Kennedy Drive, Beloit, Wisconsin. Specifically, the United States alleged that Enzyme Bio-Systems, in violation of section 307(d) of the Clean Water Act, 33 U.S.C. 1317(d), exceeded certain effluent limitations set forth in its Industrial Discharge Permit issued to Enzyme Bio-Systems by the City of Beloit, Wisconsin.

Under the proposed Consent Decree Enzyme Bio-Systems will pay the United States a \$46,100 civil penalty. Additionally, the proposed Consent Decree provides for the implementation of a Supplemental Environmental Project ("SEP") that requires

expenditures of at least \$850,000. The SEP involves Enzyme Bio-Systems: purchasing a pretreatment plant previously abandoned by the City of Beloit; installing and operating a reverse osmosis membrane treatment system capable of treating 25,000 gallons per day of high strength BOD; hauling the BOD filtrate off site for application as a soil conditioner, possible fertilizer substitute, or other environmentally beneficial reuse; petitioning the City to reduce Enzyme Bio-Systems' allowable effluent limits set forth in its Industrial Discharge Permit; and providing EPA with a SEP completion report and quarterly progress reports. This pollution reduction/prevention SEP will reduce the BOD load to the Beloit POTW, reduce the use of artificial chemical fertilizers by the potential land application of the BOD filtrate as fertilizer, and result in revenue to the City of Beloit for the purchase of its abandoned pretreatment facility. Because the technology of the reverse osmosis membrane system is very innovative and carries a risk of technological impracticability, if the pilot studies demonstrate that the membrane system cannot effectively filter high strength BOD filtrate, then Enzyme Bio-Systems can elect to pay an optional additional civil penalty in lieu of completing its obligations under the SEP requirements.

The Department of Justice will accept written comments relating to the proposed Consent Decree for 30 days after publication of this Notice. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, United States Department of Justice, P.O. Box 7611, Ben Franklin Station, Washington, DC 20044-7611, and should refer to *United States v. Enzyme Bio-Systems, Ltd.*, Case No. 00-C-283-S (W.D. Wis.), DOJ No. 90-5-1-1-4504. The proposed Consent Decree may be examined at the Office of the United States Attorney for the Western District of Wisconsin, Madison, Wisconsin, and at the Region 5 Office of the United States Environmental Protection Agency, 77 West Jackson Boulevard, Chicago, Illinois 60604. A copy of the proposed Consent Decree may also be obtained by mail from the U.S. Department of Justice, Consent Decree Library, P.O. Box 7611, Washington, DC 20044-7611. In requesting a copy, please enclose a check for reproduction costs (at 25 cents per page), in the amount of \$5.25 for the
