SUPPLEMENTARY INFORMATION: The Department of Defense established TRICARE Prime as an enrollment option to give CHAMPUS-eligible beneficiaries a DOD-sponsored military managed care program. In order to simplify the collection of information on enrollment applications for TRICARE Prime, the existing information collection is being modified to create three separate forms: Initial enrollment, changes to a PCM and disenrollment. This modification decreases the total amount of time to complete forms by respondents. In order to implement this program, it is necessary that certain beneficiaries electing to enroll/disenroll/change PCMs complete an enrollment application/disenrollment request/PCM change request. Completion of these forms is an essential element of the TRICARE program.
