FOR FURTHER INFORMATION CONTACT: Ms. Nancy Young, Secretary to the Commission, 202-619-7097.

SUPPLEMENTARY INFORMATION: Due to unintentional mis-routing of this notice during a National Park Service move, the notice could not be published at least 15 days prior to the meeting date. The National Park Service regrets this error, but is compelled to hold the meeting as scheduled because of the significant sacrifice re-scheduling would require of commission members who have adjusted their schedules to accommodate the proposed meeting date and the high level of anticipation by all parties who will be affected by the outcome of the commission's actions. Since the proposed meeting date has received widespread publicity among the parties most affected, the National Park Service believes that the public interest will not be adversely affected by the less-than-15-days advance notice in the **Federal Register**. The Commission was established by Public Law 99-652, the Commemorative Works Act (40 U.S.C. 1001 et. seq), to advise the Secretary and the Administrator, General Services Administration, (the Administrator) on policy and procedures for establishment of (and proposals to establish) commemorative works in the District of Columbia and its environs, as well as such other matters as it may deem appropriate concerning commemorative works.

The Commission examines each memorial proposal for conformance to the Commemorative Works Act, and makes recommendations to the Secretary and the Administrator and to Members and Committees of Congress. The Commission also serves as a source of information for persons seeking to establish memorials in Washington, DC and its environs.

The members of the Commission are as follows:
