FEDERAL TRADE COMMISSION**16 CFR Parts 801, 802 and 803**

RIN 3084-AA91

Premerger Notification; Reporting and Waiting Period Requirements

AGENCY: Federal Trade Commission.

ACTION: Final rule.

SUMMARY: The Federal Trade Commission ("Commission" or "FTC") is amending the Hart-Scott-Rodino ("HSR") Premerger Notification Rules (the "Rules"), the Premerger Notification and Report Form (the "Form") and associated Instructions in order to streamline the Form and capture new information that will help the FTC and the Antitrust Division, Department of Justice (together the "Agencies") conduct their initial review of a proposed transaction's competitive impact. The FTC is making substantive and ministerial revisions, deletions and additions to streamline the Form and make it easier to prepare while focusing the Form on those categories of information the Agencies consider necessary for their initial review. The FTC is also amending certain Rules and parts of the Form and Instructions, as well as adding Items 4(d), 6(c)(ii) and 7(d), in order to capture additional information that would significantly assist the Agencies in their initial review. Finally, minor changes are being made to address minor omissions from the FTC's 2005 rulemaking involving unincorporated entities and to remove the reference to the 2001 transition period.

DATES: These final rules are effective August 18, 2011.

FOR FURTHER INFORMATION CONTACT: Robert L. Jones, Deputy Assistant Director, Premerger Notification Office, Bureau of Competition, Room H-303, Federal Trade Commission, Washington, DC 20580, (202) 326-3100, rjones@ftc.gov.

SUPPLEMENTARY INFORMATION:**Statement of Basis and Purpose**

Section 7A of the Clayton Act (the "Act") requires the parties to certain mergers or acquisitions to file with the Agencies and to wait a specified period of time before consummating such transactions. The reporting requirement and the waiting period that it triggers are intended to enable the Agencies to determine whether a proposed merger or acquisition may violate the antitrust laws if consummated and, when appropriate, to seek a preliminary injunction in federal court to prevent

consummation, pursuant to Section 7 of the Act.

On August 13, 2010, the Commission made a Notice of Proposed Rulemaking and Request for Public Comment available on its Web site, and it was published in the **Federal Register** on September 17, 2010.¹ The comment period closed on October 18, 2010.
