

Procedures for Processing Fingerprint Checks

For the purpose of complying with this Order, Licensees shall, using an appropriate method listed in 10 CFR 73.4, submit to the NRC's Division of Facilities and Security, Mail Stop T-6E46, one completed, legible standard fingerprint card (Form FD-258, ORIMDNRCOOOZ) or, where practicable, other fingerprint records for each individual seeking access to SGI or unescorted access to RAMQC, to the Director of the Division of Facilities and Security, marked for the attention of the Division's Criminal History Check Section. Copies of these forms may be obtained by writing the Office of Information Services, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, by calling (301) 415-5877, or by e-mail to forms@nrc.gov. Practicable alternative formats are set forth in 10 CFR 73.4. The Licensee shall establish procedures to ensure that the quality of the fingerprints taken results in minimizing the rejection rate of fingerprint cards due to illegible or incomplete cards.

The NRC will review submitted fingerprint cards for completeness. Any Form FD-258 fingerprint record containing omissions or evident errors will be returned to the Licensee for corrections. The fee for processing fingerprint checks includes one re-submission if the initial submission is returned by the FBI because the fingerprint impressions cannot be classified. The one free re-submission must have the FBI Transaction Control Number reflected on the re-submission. If additional submissions are necessary, they will be treated as initial submittals and will require a second payment of the processing fee.

Fees for processing fingerprint checks are due upon application. Licensees shall submit payment with the application for processing fingerprints by corporate check, certified check, cashier's check, money order, or electronic payment, made payable to "U.S. NRC." [For guidance on making electronic payments, contact the Facilities Security Branch, Division of Facilities and Security, at (301) 415-7404]. Combined payment for multiple applications is acceptable. The application fee (currently \$36) is the sum of the user fee charged by the FBI for each fingerprint card or other fingerprint record submitted by the NRC on behalf of a Licensee, and an NRC processing fee, which covers administrative costs associated with NRC handling of Licensee fingerprint submissions. The Commission will

directly notify Licensees who are subject to this regulation of any fee changes.

The Commission will forward to the submitting Licensee all data received from the FBI as a result of the Licensee's application(s) for criminal history checks, including the FBI fingerprint record.

Right To Correct and Complete Information

Prior to any final adverse determination, the Licensee shall make available to the individual the contents of any criminal records obtained from the FBI for the purpose of assuring correct and complete information. Written confirmation by the individual of receipt of this notification must be maintained by the Licensee for a period of one (1) year from the date of the notification.

If, after reviewing the record, an individual believes that it is incorrect or incomplete in any respect and wishes to change, correct, or update the alleged deficiency, or to explain any matter in the record, the individual may initiate challenge procedures. These procedures include either direct application by the individual challenging the record to the agency (i.e., law enforcement agency) that contributed the questioned information, or direct challenge as to the accuracy or completeness of any entry on the criminal history record to the Assistant Director, Federal Bureau of Investigation Identification Division, Washington, DC 20537-9700 (as set forth in 28 CFR part 16.30 through 16.34). In the latter case, the FBI forwards the challenge to the agency that submitted the data and requests that agency to verify or correct the challenged entry. Upon receipt of an official communication directly from the agency that contributed the original information, the FBI Identification Division makes any changes necessary in accordance with the information supplied by that agency. The Licensee must provide at least ten (10) days for an individual to initiate an action challenging the results of an FBI criminal history records check after the record is made available for his/her review. The Licensee may make a final determination on access to SGI or unescorted access RAMQC based upon the criminal history record only upon receipt of the FBI's ultimate confirmation or correction of the record. Upon a final adverse determination on access to SGI or unescorted access to RAMQC, the Licensee shall provide the individual its documented basis for denial. Access to SGI or unescorted access to RAMQC shall not be granted

to an individual during the review process.

Protection of Information

1. Each Licensee who obtains a criminal history record on an individual pursuant to this Order shall establish and maintain a system of files and procedures for protecting the record and the personal information from unauthorized disclosure.

2. The Licensee may not disclose the record or personal information collected and maintained to persons other than the subject individual, his/her representative, or to those who have a need to access the information in performing assigned duties in the process of determining access to SGI or unescorted access to RAMQC. No individual authorized to have access to the information may re-disseminate the information to any other individual who does not have a need-to-know.

3. The personal information obtained on an individual from a criminal history record check may be transferred to another Licensee if the Licensee holding the criminal history record receives the individual's written request to re-disseminate the information contained in his/her file, and the gaining Licensee verifies information such as the individual's name, date of birth, social security number, sex, and other applicable physical characteristics for identification purposes.

4. The Licensee shall make criminal history records, obtained under this section, available for examination by an authorized representative of the NRC to determine compliance with the regulations and laws.

5. The Licensee shall retain all fingerprint and criminal history records received from the FBI, or a copy if the individual's file has been transferred, for three (3) years after termination of employment or denial to access SGI or unescorted access to RAMQC. After the required three (3) year period, these documents shall be destroyed by a method that will prevent reconstruction of the information in whole or in part.

[Public Notice 6442]

Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Open Competition for Professional Exchange Programs in Africa, East Asia, Europe, the Near East, North Africa, South Central Asia and the Western Hemisphere and the Nqwang Choephel Fellowship Program for Tibet

Announcement Type: New Grant.
Funding Opportunity Number: ECA/PE/C-09-01.

Catalog of Federal Domestic Assistance Number: 19.415.

Key Dates:

Application Deadline: February 20, 2009.

Executive Summary: The Office of Citizen Exchanges, ECA/PE/C, of the Bureau of Educational and Cultural Affairs announces an open competition for grants that support exchanges and build relationships between U.S. non-profit organizations and civil society and cultural groups in Africa, East Asia, Europe, the Near East, North Africa, South Central Asia and the Western Hemisphere. Pending availability of

funds, it is anticipated that approximately \$5,600,000 or more will be available to support this competition. ECA/PE/C expects to fund approximately 10–15 projects under this competition in FY 2009. U.S. public and non-profit organizations meeting the provisions described in Internal Revenue code section 26 U.S.C. 501(c)(3) may submit proposals that support the goals of The Professional Exchange Program. Projects should promote mutual understanding and partnerships between key professional and cultural groups in the United States and counterpart groups in other countries through multi-phased exchanges taking place over one to two years. Proposals should encourage citizen engagement in current issues and promote the development of democratic societies and institutions, with a view toward creating a more stable world. All programs should be two-way exchanges and involve participants from the U.S. and foreign countries.

Proposed projects should transform institutional and individual understanding of key issues, foster dialogue, share expertise, and develop capacity. Through these people-to-people exchanges, the Bureau seeks to break down stereotypes that divide peoples, to promote good governance and economic growth, to contribute to conflict prevention and management, and to build respect for cultural expression and identity in the world. Projects should be structured to allow American professionals and their international counterparts in eligible countries to develop a common dialogue for dealing with shared challenges and concerns. Projects should include current or potential leaders who will effect positive change in their communities.

Applicants may not submit more than one proposal per theme in this competition. Also, applicants may not include countries not eligible under a specific theme designated in the RFGP. Proposals that do so will be declared technically ineligible and will receive no further consideration in the review process. For the purposes of this competition, eligible regions are Africa, East Asia, Europe, the Near East, North Africa, South Central Asia, and the Western Hemisphere. No guarantee is made or implied that grants will be awarded in all themes and for all countries listed.
