On February 24, 2022, the Commission instituted proceedings pursuant to Rule 608(b)(2)(i) of Regulation NMS,⁷ to determine whether to approve or disapprove the Proposed Amendments or to approve the Proposed Amendments with any changes or subject to any conditions the Commission deems necessary or appropriate after considering public comment.⁸ On May 19, 2022, pursuant to Rule 608(b)(2)(i) of Regulation NMS,⁹ the Commission extended the period within which to conclude proceedings regarding the Proposed Amendments to 240 days from the date of publication of the Notice.¹⁰

Rule 608(b)(2)(ii) of Regulation NMS provides that the time for conclusion of proceedings to determine whether a national market system plan or proposed amendment should be disapproved may be extended for an additional period up to 60 days (up to 300 days from the date of notice publication) if the Commission determines that a longer period is appropriate and publishes the reasons for such determination or the plan participants consent to the longer period.¹¹ The 240th day after publication of the Notice for the Proposed Amendments is July 24, 2022. The Commission is extending this 240-day period.

The Commission finds that it is appropriate to designate a longer period within which to conclude proceedings regarding the Proposed Amendments so that it has sufficient time to consider the Proposed Amendments and comments received. Accordingly, pursuant to Rule 608(b)(2)(ii) of Regulation NMS,¹² the Commission designates September 22, 2022, as the date by which the Commission shall conclude the proceedings to determine whether to approve or disapprove the Proposed Amendments or to approve the Proposed Amendments with any changes or subject to any conditions the Commission deems necessary or appropriate (File No. SR–CTA/CQ–2021–03).
