AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Enforcement Bureau (Bureau) debars Inter-Tel Technologies, Inc.'s (Inter-Tel) from all activities associated with the schools and libraries universal service support mechanism, also known as the E-Rate program. Inter-Tel pled guilty to and was convicted of serious fraud-related felonies against the E-Rate program. We find Inter-Tel's conduct merits a debarment of at least three years, as contemplated by our debarment rule, but in light of several important factors, we will impose a debarment period of one year from the effective date of this Order.

SUPPLEMENTARY INFORMATION: This a summary of the Commission's Notice of Debarment, released June 30, 2006. As an additional precaution to protect the E-Rate program, we put in place two monitoring measures to ensure NEC's compliance upon its re-entry into the E-Rate program. First, we order USAC to review with heightened scrutiny NEC's applications submitted during the first two funding years after re-entry.¹ Second, we order the Administrator to conduct automatic annual audits regarding NEC's compliance with the Act and the Commission's rules governing the E-Rate program, for each of the first two funding periods upon NEC's re-entry. We find these additional precautionary measures are necessary to ensure that E-Rate funds are used only for their intended purpose and that the program is not subject to additional waste, fraud, or abuse.
