

2021 (86 FR 30627) and June 24, 2021 (86 FR 33358). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, the Commission conducted its hearing through written testimony and video conference on September 21, 2021. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to § 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on November 15, 2021. The views of the Commission are contained in USITC Publication 5237 (November 2021), entitled *Thermal Paper from Germany, Japan, Korea, and Spain: Investigation Nos. 731-TA-1546-1549 (Final)*.

By order of the Commission.

Issued: November 15, 2021.

**Lisa Barton,**

Secretary to the Commission.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree Under Comprehensive Environmental Response, Compensation and Liability Act

On November 15, 2021, the Department of Justice lodged a proposed Consent Decree ("Consent Decree") with the United States District Court for the Western District of New York in a lawsuit entitled *United States, the State of New York, and the Tuscarora Nation v. Honeywell International, Inc.*, Civil Action No. 21-1218. In the complaint, the plaintiffs, collectively the United States, the State of New York, and the Tuscarora Nation (also referred to as "the Natural Resource Trustees"), seek natural resource damages under Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9607(a) from defendant Honeywell International, Inc. ("Honeywell"). The complaint alleges that Honeywell, as a successor to the Allied Chemical Corp./Buffalo Color Corp., is a liable party in connection with natural resource damages resulting from the release of hazardous substances into a portion of the Buffalo River, Buffalo, New York ("the Site"), from the early 1900s through at least the mid-1900s.

The proposed Consent Decree requires that Honeywell, as a Settling Defendant, pay \$4,250,000 to the Natural Resource Trustees to

compensate for natural resource damages. The payment will reimburse past assessment costs, and fund natural resource habitat restoration projects, cultural restoration projects, and oversight costs to oversee completion of the projects. Under the proposed settlement, conservation easements and restrictions will be recorded on approximately 70 undeveloped acres of land adjacent to the Buffalo River to preserve these properties in their undeveloped condition in perpetuity. These properties are currently owned by CSX Transportation or the City of Buffalo, who are settling parties under the Consent Decree. Additional settling parties include other parties that are potentially responsible for natural resource damages that have entered into separate settlements with Honeywell.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States, the State of New York, and the Tuscarora Nation v. Honeywell International, Inc.*, Civil Action No. 21-1218, D.J. Ref. No. 90-11-3-08780. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

<i>To submit comments:</i>	<i>Send them to:</i>
By email .....	<a href="mailto:pubcomment-ees.enrd@usdoj.gov">pubcomment-ees.enrd@usdoj.gov</a>
By mail .....	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

During the public comment period, the proposed Consent Decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the proposed Consent Decree upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

Please enclose a check or money order for \$9.75 (25 cents per page reproduction cost), payable to the United States Treasury.

**Henry Friedman,**

Assistant Chief, Environmental Enforcement Section, Environment & Natural Resources Division.

## DEPARTMENT OF LABOR

### Employment and Training Administration

#### Agency Information Collection Activities; Comment Request; Standard Job Corps Contractor and Grantee Information Gathering

**ACTION:** Notice.

**SUMMARY:** The Department of Labor's (DOL) Employment and Training Administration (ETA) is soliciting comments concerning a proposed extension for the authority to conduct the information collection request (ICR) titled, "Standard Job Corps Contractor and Grantee Information Gathering." This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the Paperwork Reduction Act of 1995 (PRA).

**DATES:** Consideration will be given to all written comments received by January 18, 2022.

**ADDRESSES:** A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained free by contacting Lawrence Lyford by telephone at 202-693-3121 (this is not a toll-free number), TTY 1-877-889-5627 (this is not a toll-free number), or by email at [Lyford.Lawrence@dol.gov](mailto:Lyford.Lawrence@dol.gov).

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Employment and Training Administration, Office of Job Corps, 200 Constitution Avenue NW, Room N4459 Washington, DC 20210; by email: [Lyford.Lawrence@dol.gov](mailto:Lyford.Lawrence@dol.gov); or by fax 202-693-3113.

**FOR FURTHER INFORMATION CONTACT:** Lawrence Lyford by telephone at 202-693-3121 (this is not a toll-free number) or by email at [Lyford.Lawrence@dol.gov](mailto:Lyford.Lawrence@dol.gov).

Authority: 44 U.S.C. 3506(c)(2)(A).

**SUPPLEMENTARY INFORMATION:** DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized,

collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

Job Corps is the nation's largest residential, educational, and career technical training program for the economically disadvantaged youths. The Economic Opportunity Act established Job Corps in 1964, and it currently operates under the authority of the Workforce Innovation and Opportunity Act (WIOA) of 2014. For over 56 years, Job Corps has helped prepare over three million at-risk young people between the ages of 16 and 24 for success in our nation's workforce. With 121 centers in 50 states, Puerto Rico, and the District of Columbia, Job Corps assists students across the nation in attaining academic credentials, including High School Diplomas (HSD) and/or High School Equivalency (HSE), and career technical training credentials, including industry-recognized certifications, state licensures, and pre-apprenticeship credentials.

Job Corps is a national program administered by the U.S. Department of Labor (DOL) through the Office of Job Corps and six Regional Offices. DOL awards and administers contracts for the recruiting and screening of new students, center operations, and the placement and transitional support of graduates and former enrollees. Large and small corporations and nonprofit organizations manage and operate 95 Job Corps centers under contractual agreements with DOL. These contract Center Operators are selected through a competitive procurement process that evaluates potential operators' technical expertise, proposed costs, past performance, and other factors, in accordance with the Competition in Contracting Act and the Federal Acquisition Regulations. Many of the current contractors operate more than one center. The two centers operated under demonstration grants are run by the State of Idaho and the National Guard Job Challenge program respectively. Of the 121 current centers, 24 are managed and operated by the U.S. Department of Agriculture—Forest Service (USDA) through an interagency agreement. Additionally, there are 26 public colleges and universities operating Job Corps Scholars Program demonstration grants.

The Workforce Innovation Opportunity Act (WIOA), Section 116(b)(2)(A)(i), Section 159(c)(4) and Section 156(a) authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection

of information, and the public is generally not required to respond to an information collection, unless OMB approves the collection under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB control number 1205–0219.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, (e.g., permitting electronic submission of responses).
