**SUPPLEMENTARY INFORMATION:****Background**

On August 31, 2018, Commerce published the AD order on soil pipe fittings from China.<sup>1</sup> On July 3, 2023, Commerce published the notice of initiation of the first sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On July 18, 2023, Commerce received a notice of intent to participate in this review from the Cast Iron Soil Pipe Institute (the domestic interested party)<sup>3</sup> within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>4</sup> The domestic interested party claimed interested party status under section 771(9)(E) of the Act, and 19 CFR 351.102(b)(17) and (29)(vii) as a trade or business association, a majority of whose

members manufacture or produce the domestic like product in the United States. On August 2, 2023, the domestic interested party provided a complete substantive response for this review within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>5</sup> We received no substantive responses from any other interested parties, nor was a hearing requested. On August 22, 2023, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.<sup>6</sup> As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce conducted an expedited (120-day) sunset review of the *Order*.

**Scope of the Order**

The merchandise covered by the *Order* is cast iron soil pipe fittings, finished and unfinished, regardless of industry or proprietary specifications, and regardless of size. The subject merchandise is currently provided for in item 7307.11.0045 of the Harmonized Tariff Schedule of the United States (HTSUS). Subject merchandise may also enter under HTSUS 7324.29.0000 and 7307.92.3010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise is dispositive. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.<sup>7</sup>

**Analysis of Comments Received**

All issues raised in this review, including the likelihood of continuation or recurrence of dumping in the event of revocation of the *Order* and the magnitude of the margins likely to prevail if the *Order* were revoked, are addressed in the accompanying Issues and Decision Memorandum.<sup>8</sup> A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to

registered users at <https://access.trade.gov>. A complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Final Results of Sunset Review**

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the margin likely to prevail would be up to 360.30 percent.

**Administrative Protective Order**

This notice serves as the only reminder to interested parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
