Title: Prior Disclosure.

OMB Number: 1651-0074.

Form Number: None.

Abstract: The Prior Disclosure program establishes a method for a potential violator to disclose to CBP that they have committed an error or a violation with respect to the legal requirements of entering merchandise into the United States, such as underpaid tariffs or duties, or misclassified merchandise. The procedure for making a prior disclosure is set forth in 19 CFR 162.74 which requires that respondents submit information about the merchandise involved, a specification of the false statements or omissions, and what the true and accurate information should be. A valid prior disclosure will entitle the disclosing party to the reduced penalties pursuant to 19 U.S.C. 1592(c)(4).

Current Actions: CBP proposes to extend the expiration date of this information collection with no change to the burden hours or to the information collected.

Type of Review: Extension (without change).

Affected Public: Businesses.

Estimated Number of Respondents: 3,500.

Estimated Number of Annual Responses: 3,500.

Estimated Time per Response: 1 hour.

Estimated Total Annual Burden Hours: 3,500.

The areas described contain 440.42 acres, more or less, in Clark County.

A sales matrix is available on the BLM Web site at: <http://www.blm.gov/snplma>. The sales matrix provides information specific to each sale parcel such as: legal description, physical location, encumbrances, acreage and fair market values.

*Sale parcel N-91124 consists of split-estate lands. The parcel of approximately 247.59 acres overlies privately-owned sand and gravel deposits patented out of Federal ownership pursuant to Private Law 96-67 signed on December 5, 1980, for the relief of two mining claimants. The patent provides for the private ownership and use of the sand and gravel deposits and such use of the surface that is reasonably required for mining. The northern portion of sale parcel N-91124 is near the southern boundary of Nellis Air Force Base near the Live Ordnance Loading Area. The existing explosion evacuation arcs extend onto the northern portion of the sale parcel.

This proposed competitive sale is in conformance with the BLM Las Vegas Resource Management Plan (RMP) and decision LD-1, approved by Record of Decision on October 5, 1998, and is in compliance with Section 203 of FLPMA. The proposed sale parcels were analyzed in the Las Vegas Valley Disposal Boundary Environmental Impact Statement and approved by Record of Decision on December 23, 2004, and a site specific Determination of National Environmental Policy Act Adequacy document numbered DOI-BLM-NV-S010-2013-0093-DNA approved on June 27, 2013.

Submit comments to the address in the **ADDRESSES** section. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including any personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. In addition to this Notice, notice of this sale will also be published once a week for 3 weeks in the *Las Vegas Review-Journal*.

Sale procedures: The public sale auction would be through sealed and oral bids. Sealed bids would be opened and recorded on the sale date to determine the high bids among the qualified bids received. Sealed bids above the FMV would set the starting point for oral bidding on a parcel. Parcels that receive no qualified sealed bids will begin at the established FMV.

Sealed-bid envelopes must be clearly marked on the lower front left corner with the parcel number and name of the sale, for example: "N-XXXXX, 28-parcel SNPLMA Sale 2013." Sealed bids for the sale must also include a certified check, postal money order, bank draft, or cashier's check made payable to the "Department of the Interior-Bureau of Land Management" in an amount not less than 20 percent of the total amount bid. Personal or company checks will not be accepted. The sealed-bid envelope must contain the 20 percent bid deposit, and a completed and signed "Certificate of Eligibility" form stating the name, mailing address, and telephone number of the entity or person submitting the bid. Certificate of Eligibility forms are available at the BLM Las Vegas Field Office at the address listed in the **ADDRESSES** section and on the BLM Web site at: http://www.blm.gov/nv/st/en/snplma/Land_Auctions.html. Pursuant to 43 CFR 2711.3-1(c), if two or more sealed-bid envelopes containing valid bids of the same amount are received, oral bidding would start at the sealed-bid amount. If there are no oral bids on the parcel, the authorized office will determine the winning bidder. Bids for less than the federally approved FMV will not be qualified. The BLM will send the successful bidder(s) a high bidder letter with detailed information for full payment.

All funds submitted with unsuccessful bids will be returned to the bidders or their authorized representative upon presentation of acceptable photo identification at the BLM Las Vegas Field Office or by certified mail. If a bidder purchases a parcel and defaults, the BLM may retain the bid deposit and cancel the sale of that parcel. If the high bidder is unable to consummate the transaction for any other reasons, the second highest bid may be considered. If there are no acceptable bids, the parcels may remain available for sale at a future date in accordance with competitive sale procedures without further legal notice.

Federal law requires that bidders must be: (1) A citizen of the United States 18 years of age or over; (2) A corporation subject to the laws of any State or of the United States; (3) A State, State instrumentality or political subdivision authorized to hold property; and (4) An entity legally capable of conveying and holding lands or interests therein under the laws of the State within which the lands to be conveyed are located. United States citizenship is evidenced by presenting a birth certificate, passport, or naturalization papers. Failure to submit

the above requested documents to the BLM within 30 days from receipt of the high-bidder letter shall result in cancellation of the sale and forfeiture of the bid deposit. The successful bidder would be allowed 180 days from the date of the sale to submit the remainder of the full purchase price.

Publication of this notice in the **Federal Register** segregates the subject lands from all forms of appropriation under the public land laws, including the mining laws. Any subsequent application will not be accepted, will not be considered as filed, and will be returned to the applicant if the notice segregates from the use applied for in the application. The segregative effect of this notice terminates upon issuance of a patent or other document of conveyance to such lands; publication in the **Federal Register** of a termination of the segregation; or 2 years after the date of this publication, whichever occurs first. The segregation period may not exceed 2 years unless extended by the BLM State Director, Nevada, in accordance with 43 CFR 2711.1-2(d) prior to the termination date.

Terms and Conditions: All minerals for the sale parcels, except sale parcel N-91124, will be reserved to the United States. The patents, when issued, will contain a mineral reservation to the United States for all minerals, except sale parcel N-91124.

The parcels are subject to limitations prescribed by law and regulation, and certain encumbrances in favor of third parties. Prior to patent issuance, a holder of any right-of-way within the sale parcels will be given the opportunity to amend the right-of-way for conversion to a new term, including perpetuity, if applicable, or conversion to an easement. The BLM will notify valid existing right-of-way holders of record of their ability to convert their compliant rights-of-way to perpetual rights-of-way or easement. In accordance with Federal regulations at 43 CFR 2807.15, once notified, each valid holder may apply for the conversion of their current authorization.

The following numbered terms and conditions will appear on the conveyance documents for the sale parcels:

1. All minerals deposits in the lands so patented, and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same under applicable law and regulations to be established by the Secretary of the Interior are reserved to the United States, together with all necessary access and exit rights. Note: Sale parcel N-91124 will not include

this mineral reservation because the mineral estate of this parcel is held by a private party.

2. A right-of-way is reserved for ditches and canals constructed by authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945);

3. A right-of-way for Federal aid highway (Blue Diamond Road) purposes reserved to the Federal Aid Highway Administration, its successors and assigns, by right-of-way

No. Nev-012728, pursuant to the Act of August 27, 1958 (23 U.S.C. 107(D)) within parcels N-91782, N-91815, N-79534, N-91791 and N-91793;

4. The parcels are subject to valid existing rights;

5. The parcels are subject to reservations for road, public utilities and flood control purposes, both existing and proposed, in accordance with the local governing entities' transportation plans;

6. An appropriate indemnification clause protecting the United States from claims arising out of the lessees/patentee's use, occupancy, or occupations on the leased/patented lands.

Pursuant to the requirements established by Section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9620(h) (CERCLA), as amended by the Superfund Amendments and Reauthorization Act of 1988, 100 Stat. 1670, notice is hereby given that the described lands have been examined and no evidence was found to indicate that any hazardous substances have been stored for 1 year or more, nor had any hazardous substances been disposed of or released on the subject property.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of a parcel will not be on a contingency basis. However, to the extent required by law, the parcel is subject to the requirements of Section 120(h) of the CERCLA.

Unless other satisfactory arrangements are approved in advance by the BLM authorized officer, conveyance of title shall be through the use of escrow. Designation of the escrow agent shall be through mutual agreement between the BLM and the prospective patentee, and costs of escrow shall be borne by the prospective patentee.

Requests for all escrow instructions must be received by the BLM Las Vegas Field Office prior to 30 days before the

prospective patentee's scheduled closing date. There are no exceptions.

All name changes and supporting documentation must be received at the BLM Las Vegas Field Office 30 days from the date on the high-bidder letter by 4:30 p.m., Pacific Time. Name changes will not be accepted after that date. To submit a name change, the apparent high bidder must submit the name change in writing on the Certificate of Eligibility form to the BLM Las Vegas Field Office.

The remainder of the full bid price for the parcel must be received no later than 4:30 p.m., Pacific Time, within 180 days following the day of the sale. Payment must be submitted in the form of a certified check, U.S. postal money order, bank draft, cashier's check, or made available by electronic fund transfer made payable in U.S. dollars to the "Department of the Interior—Bureau of Land Management" to the BLM Las Vegas Field Office. Personal or company checks will not be accepted.

Arrangements for electronic fund transfer to the BLM for payment of the balance due must be made a minimum of 2 weeks prior to the payment date. Failure to pay the full bid price prior to the expiration of the 180th day will disqualify the high bidder and cause the entire 20 percent bid deposit to be forfeited to the BLM. Forfeiture of the 20 percent bid deposit is in accordance with 43 CFR 2711.3–1(d). No exceptions will be made. The BLM cannot accept the remainder of the bid price after the 180th day of the sale date.

The BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of such an exchange is the bidder's responsibility. The BLM cannot be a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3–1(f), within 30 days the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale, if, in the opinion of a BLM authorized officer, consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations. No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase and the full bid price is paid.

Upon the publication of this Notice and until the completion of this sale, the BLM is no longer accepting land use applications affecting the parcel identified for sale. However, land use applications may be considered after sale if the parcel is not sold. The parcel may be subject to land use applications received prior to publication of this

Notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. Information concerning the sale, encumbrances of record, appraisals, reservations, procedures and conditions, CERCLA, and other environmental documents that may appear in the BLM public files for the proposed sale parcels are available for review during business hours, 7:30 a.m. to 4:30 p.m., Pacific Time, Monday through Friday, at the BLM Las Vegas Field Office, except during Federal holidays.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government.

It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any comments, this realty action will become the final determination of the Department of the Interior.
