

factors, and submit the proposals and funding recommendations to the Deputy Administrator, Commodity and Marketing Programs.

FAS will use the following criteria in evaluating proposals:

- The ability of the organization to provide an experienced staff with the requisite technical and trade experience to execute the proposal;
- The extent to which the proposal is targeted to a market in which the United States is generally competitive;
- The potential for expanding commercial sales in the proposed market;
- The nature of the specific market constraint or opportunity involved and how well it is addressed by the proposal;
- The extent to which the importer's contribution, in terms of handling and processing, enhances the potential outcome of the project;
- The amount of reimbursement requested and the organization's willingness to contribute resources, including cash and goods and services of the U.S. industry and foreign third parties; and
- How well the proposed technical assistance component assures that performance trials will effectively demonstrate the intended end-use benefit.

Highest priority for funding under this announcement will be given to meritorious proposals which target countries which meet either of the following criteria:

- Per capita income less than \$9,265 (the ceiling on upper middle income economies as determined by the World Bank [World Development Indicators 2001]); and population greater than 1 million. Proposals may address suitable regional groupings, for example, the islands of the Caribbean Basin; or
- U.S. market share of imports of the commodity identified in the proposal of 10 percent or less.

Agreements

Following approval of a proposal, CCC will enter into an agreement with the organization that submitted the proposal. Agreements will incorporate the details of each project as approved by FAS. Each agreement will identify terms and conditions pursuant to which CCC will reimburse certain costs of each project. Agreements will also outline the responsibilities of the participant, including, but not limited to, procurement (or arranging for procurement) of the commodity sample at a fair market price, arranging for transportation of the commodity sample within the time limit specified in the

agreement (organizations should endeavor to ship commodities within 6 months of effective date of agreement), compliance with cargo preference requirements (shipment on United States flag vessels, as required), compliance with the Fly America Act requirements (shipment on United States air carriers, as required), timely and effective implementation of technical assistance, and submission of a written evaluation report within 90 days of expiration of the agreement. Evaluation reports should address all performance measures which were presented in the proposal.

Closing Date for Proposals

To be considered for participation in the QSP, interested parties should submit, via a commercial delivery service (including FedEx, DHL, etc.), proposals to: Director, Marketing Operations Staff, Foreign Agricultural Service, U.S. Department of Agriculture, Room 4932-S, Stop 1042, 14th and Independence Avenue, SW., Washington, DC 20250-1042. Requests for additional information or copies of the information collection

form and instruction should be directed to Edward Speshock, (703) 305-2383.

SUPPLEMENTARY INFORMATION:

Title: Performance Reporting System, Management Evaluation, Data Analysis, and Corrective Action.

OMB Number: 0584-0010.

Expiration Date: Reinstatement requested.

Type of Request: Reinstatement, with change, to a previously approved collection for which approval has expired.

Abstract: The purpose of the Performance Reporting System (PRS) is to ensure that each State agency and project area is operating the Food Stamp Program in accordance with the requirements of the Food Stamp Act of 1977 (the Act) (7 U.S.C. 2011, *et seq.*), as amended, and corresponding program regulations. Under Section 11 of the Act (7 U.S.C. 2020), State agencies must maintain necessary records to ascertain that the Food Stamp Program is operating in compliance with the Act and regulations and must make these records available to the Food and Nutrition Service (FNS) for inspection and audit.

Management Evaluation (ME) Review Schedules—Unless the State receives approval for an alternative Management Evaluation review schedule, each State agency is required, under 7 CFR part 275, to submit one review schedule every one, two, or three years, depending on the project area make-up of the State.

Data Analysis—Under 7 CFR part 275, each State must establish a system for analysis and evaluation of all data available to the State. Data analysis and evaluation is an ongoing process that facilitates the development of effective and prompt corrective action.

Corrective Action Plans—Under 7 CFR part 275, State agencies must prepare a corrective action plan (CAP) addressing identified deficiencies. The State agencies must develop a system for monitoring and evaluating corrective action and submit CAP updates, as necessary.

Affected Public: State agencies.

Estimated Number of Respondents: 52 State agencies, Guam and the Virgin Islands.

Number of responses per respondent: 1.0.

Estimated total annual responses: 54.

Hours per response: 7.5.

Number of record keepers: 405.

Estimated annual hours per record keepers: 54.

Estimated annual record keeping burden: 27 hours.

Total annual reporting and record keeping burdens: 432.
