DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary; Notice of Interest Rate on Overdue Debts

Section 30.13 of the Department of Health and Human Services' claims collection regulations (45 CFR part 30) provides that the Secretary shall charge an annual rate of interest as fixed by the Secretary of the Treasury after taking into consideration private consumer rates of interest prevailing on the date that HHS becomes entitled to recovery. The rate generally cannot be lower than the Department of Treasury's current value of funds rate or the applicable rate determined from the "Schedule of Certified Interest Rates with Range of Maturities." This rate may be revised quarterly by the Secretary of the Treasury and shall be published quarterly by the Department of Health and Human Services in the **Federal Register**.

The Secretary of the Treasury has certified a rate of 11 $\frac{7}{8}$ % for the quarter ended December 31, 2004. This interest

rate will remain in effect until such time as the Secretary of the Treasury notifies HHS of any change.

Dated: January 31, 2005.

George Strader,

Deputy Assistant Secretary, Finance.

A Cooperative Agreement To Advance the Practice of Preventive Medicine; Notice of Intent To Fund Single Eligibility Award

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the intent to fund fiscal year (FY) 2005 funds for a cooperative agreement program to promote the attainment of the objectives outlined in "Healthy People 2010" by strengthening the workforce of health professionals (public health professionals, primary care practitioners, and health professionals specializing in prevention) ensuring that graduates of medical schools and graduate programs in public health receive excellent instruction, educational preparation and practical experience in the areas of disease prevention and health promotion. To move toward attainment of these objectives by (1) Assisting medical schools and public health graduate programs in integrating a preventive medicine curriculum into medical and graduate school curricula; (2) Serving as a resource to professional organizations and academic units in developing programs which deliver up-to-date education in prevention for health professionals; and (3) Assisting member institutions to develop projects on prevention effectiveness to (a) increase years of health life, and (b) eliminate health disparities as set forth in "Healthy People 2010." Every health care provider must understand the basic principles of public health on which the objectives are grounded and must be adequately prepared to provide the clinical preventive services and counseling listed in "Healthy People 2010" objectives.

B. Eligible Applicant

Assistance will be provided only to the Association of Teachers of Preventive Medicine (ATPM). ATPM is
