SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 0.33 acres of airport property at the Liberal Mid-America Regional Airport & Airport Industrial Park (LBL) under the provisions of 49 U.S.C. 47107(h)(2). On June 24, 2011, the Airport Manager at the Liberal Mid-America Regional Airport requested from the FAA that approximately 0.33 acres of property be released for sale to Allan and Charlene Classen for use as a repair/maintenance operation. On October 31, 2011, the FAA determined that the request to release property at the Liberal Mid-America Regional Airport and Airport Industrial Park (LBL) submitted by the Sponsor meets the procedural

The following is a brief overview of the request:

Liberal Mid-America Regional Airport and Airport Industrial Park (LBL) is proposing the release of one parcel, of 0.33 acres, more or less. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Liberal Mid-America Regional Airport and Airport Industrial Park (LBL) being changed from aeronautical to nonaeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at the Liberal Mid-America Regional Airport and Airport Industrial Park.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Liberal Mid-America Regional Airport and Airport Industrial Park.
