

direction to remain compliant with the NPS guidelines.

Exhibits must be presented in a manner that can sustain a 30-mph wind and should not exceed 45' in height. HUD will make available the use of a crane or forklifts for installation. Typically, the crane provided has a 20-ton capacity and will be apportioned to accommodate the needs of all exhibitors. Exhibits that exceed 400 sq ft will require the NPS review of floor plans and engineering to establish an occupancy load as well as any ballast that may be required to satisfy the wind load guidelines.

Exhibits will be delivered by truck and placed on the gravel walkways of the National Mall. To maintain adequate pathways for the public to traverse between monuments and museums adjacent to the event site, exhibit areas are apportioned based on individual footprints. Exhibits including outdoor space and handicap accessibility shall not exceed 30' in depth and are generally 60' to 80' in width.

For each exhibit type, HUD provides a standard tent with side walls, tables, and chairs as well as a sign identifying the Exhibitor. The sign includes the exhibitor's brand and features the event brand consistent with the NPS guidelines. The Showcase Management team will also provide electricity for each exhibit whether Tabletop, On-Ground or Enterable.

Exhibitors are responsible for their own expenses, personnel, and resources. Exhibitors will bear the cost to manufacture the exhibit, deliver and remove the exhibit from the Showcase Site, and staff the exhibit during the run of show. HUD will not provide any funding to exhibitors. HUD will provide support to manage the event.

III. Proposals, Proposal Submission, and Exhibitor Selection Information

HUD seeks housing designs and technologies that have the potential to increase supply and lower the cost of construction, and/or reduce housing expenses for owners and renters. This could include designs that reduce building footprints, like Accessory Dwelling Units and multi-unit manufactured and modular housing, or that impact on-site construction efficiency, like three-dimensional (3D) printing and panelization. HUD is especially interested in innovative housing designs and technologies that, in addition to reducing costs and expenses for builders, owners and renters, can expand quality, affordable, accessible and healthy housing options for low- and moderate-income households; support aging in place;

improve climate mitigation and resilience and disaster recovery; and/or increase energy efficiency and support decarbonization in the housing sector. Potential exhibits could range from tabletop displays to on-ground exhibits to enterable homes.

Interested potential exhibitors should submit via the methods discussed previously in this notice and include responses to the following:

1. Exhibitor name.
 2. Exhibit category: tabletop display, on-ground exhibit, or enterable.
 3. A short narrative description of the exhibit including attributes that make it appropriate for the Showcase, specifically how the product advances the goals listed above.
 - a. If proposing an enterable exhibit, a short narrative description of any accessibility features.
 4. A photo or rendering of your exhibit, including links to websites and videos (if available).
 5. Description of the installation process on the Mall, including essential specifications.
 6. Transportation requirements, including need for special road clearances for oversize/overweight loads.
 7. Description of previous exhibits or demonstrations of the product (this could include home shows and other exhibits).
 8. Any other substantial partners involved in the proposed exhibit.
 9. Contact information for the exhibitor (with the authority to commit).
- Responses should be limited to 1–2 pages.

In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number. The information collection described above to collect proposals for the Showcase has been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520) and assigned OMB control number 2528–0346.

HUD will select exhibit proposals that align with the above themes and areas of focus, particularly housing affordability, quality, accessibility, decarbonization and resilience, as well as other considerations such as novelty and overall composition of submitted responses. For the sake of visitor engagement, we will prioritize exhibits that can be displayed in person and that are enterable or are otherwise feature visually interesting and interactive presentations. Other factors that may

impact exhibitor selection include National Mall site limitations and potential expense to HUD (e.g., crane time).

Todd M. Richardson,

General Deputy Assistant Secretary for Policy Development and Research.

BIA Regional Offices

In any involuntary proceeding in a State court where the court knows or has reason to know that an Indian child is involved, and where the identity and location of the child's parent or Indian custodian or Tribe is known, the party seeking the foster-care placement of, or termination of parental rights to, an Indian child must directly notify the parents, the Indian custodians, and the child's Tribe by registered or certified mail with return receipt requested, of the pending child-custody proceedings and their right of intervention. Copies of these notices must be sent to the appropriate Bureau of Indian Affairs (BIA) Regional Director by registered or certified mail with return receipt requested or by personal delivery. *See* 25 CFR 23.11. Notice may also be sent via personal service or electronically, but such alternative methods do not replace the requirement for notice to be sent by registered or certified mail with return receipt requested.

If the identity or location of the child's parents, the child's Indian custodian, or the Tribe(s) in which the Indian child is a member or eligible for membership cannot be ascertained, but there is reason to know the child is an Indian child, notice of the child-custody proceeding must be sent to the appropriate BIA Regional Director, available at <https://www.bia.gov/regional-offices>. *See* 25 CFR 23.111.
