

obligations.<sup>25</sup> Finally, unlike other market participants, Lead Market Makers and Market Makers incur other costs related to their quoting obligations in addition to other fees paid by other market participants. Phlx assesses Streaming Quote Trader<sup>26</sup> Fees based on the number of option class assignments to Lead Market Makers and Market Makers.<sup>27</sup> Additionally, Phlx assesses Remote Market Maker<sup>28</sup> Organization Fees and Remote Lead Market Maker Fees.<sup>29</sup> These liquidity providers are critical market participants in that they are the only market participants that provide liquidity to Phlx and are necessary for opening the market. Allowing Lead Market Makers and Market Makers to manage their costs by capping SQF Ports in addition to transaction fees enables these essential market participants to manage their business model more effectively and better allocate resources to other technologies that are necessary to manage risk and capacity to ensure that these market participants continue to compete effectively on Phlx. The Exchange believes that Lead Market Makers and Market Makers should be eligible for certain incentives because they fulfill a unique role on the Exchange and are the only market participants required to submit quotes to the Exchange. The proposed SQF Port Cap is designed to ensure that Lead Market Makers and Market Makers add a certain amount of liquidity on Phlx in order to be able to cap their SQF Fees at the lower cap of \$42,000 as compared to the increased cap of \$50,000. The Exchange would apply the SQF Fee Cap criteria

uniformly to Lead Market Makers and Market Makers.

### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

Cboe BYX, Inc. (the “Exchange” or “BYX”) proposes to amend its rules relating to the Continuing Education for Registered Persons as provided under Exchange Rule 2.16.01. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website ([http://markets.cboe.com/us/equities/regulation/rule\\_filings/byx/](http://markets.cboe.com/us/equities/regulation/rule_filings/byx/)), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### **A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

##### **1. Purpose**

The proposed rule change amends Exchange Rule 2.16.01 to reopen the period by which certain participants in the Maintaining Qualifications Program (“MQP”) will be able to complete their prescribed 2022 and 2023 continuing education content.

In 2021, the Financial Industry Regulatory Authority, Inc. (“FINRA”) implemented rule changes, which amended FINRA's Continuing Education (“CE”) Program requirements to, among other things, provide eligible individuals who terminate any of their representative or principal registration categories the option of maintaining their qualification for any terminated registration categories by completing annual CE through a new program, the MQP.<sup>5</sup> Under FINRA Rule 1240.01, the

MQP designated a look-back provision that, subject to specified conditions, extended the option to participate in the MQP to individuals who: (1) were registered as a representative or principal within two years immediately prior to March 15, 2022 (the implementation date of the MQP); and (2) individuals who were participating in the Financial Services Affiliate Waiver Program (“FSAWP”) under FINRA Rule 1210.09 (Waiver of Examinations for Individuals Working for a Financial Services Industry Affiliate of a Member) immediately prior to March 15, 2022 (collectively, “Look-Back Individuals”).

In 2023, FINRA amended FINRA Rule 1240.01, to provide Look-Back Individuals a second opportunity to elect to participate in the MQP (the “FINRA Second Enrollment Period”).<sup>7</sup> The proposed rule change required that Look-Back Individuals who elect to participate in the MQP during the FINRA Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024. Look-Back Individuals who are enrolled in the MQP, similar to other MQP participants, are able to complete any prescribed CE and renew their annual MQP participation through their FINRA Financial Professional Gateway (“FinPro”) accounts.

In response to FINRA's rule changes and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange implemented rule changes to align with FINRA's CE Program.<sup>8</sup> Such rules, among other things, provide eligible individuals who terminate any of their representative or principal registrations the option of maintaining their qualification for any of the terminated registrations by completing CE through the MQP. Further, Exchange Rule 2.16.01 includes a look-back provision that, subject to specified conditions, extends the option for maintaining qualifications following a

registration category termination to (i) individuals who have been registered as a representative or principal within two years immediately preceding March 15, 2022, and (ii) individuals who have been participants of the FSAWP immediately preceding March 15, 2022 implementation (*i.e.*, Look-Back Individuals). Exchange Rule 2.16.01 also provided Look-Back Individuals with a second enrollment period, between October 19, 2023, and December 31, 2023 (the “Exchange Second Enrollment Period”). Exchange Rule 2.16.01 requires that Look-Back Individuals who elect to participate in the MQP during the Exchange Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024.<sup>9</sup>

FINRA recently submitted a proposal related to its CE Program (the “FINRA Rule Change”).<sup>10</sup> The proposal set forth changes to FINRA Rule 1240.01, to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between May 22, 2024, and July 1, 2024, to be eligible to continue their participation in the MQP.<sup>11</sup> In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and May 22, 2024, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

In the FINRA Rule Change, FINRA noted that FINRA sent multiple reminders, including a March 16, 2024 email, to Look-Back Individuals who had enrolled in the MQP but had not completed their prescribed CE to remind them of the March 31, 2024 deadline. In the FINRA Rule Change, FINRA further noted that in the week leading up to the deadline, FINRA noticed that several thousand of those individuals were renewing their

2021) (Order Approving File No. SR-FINRA-2021-015). Other exchanges, including BYX, subsequently filed copycat rule filings to align their continuing education rules with those of FINRA. See Securities Exchange Act Release No. 94532 (March 28, 2022), 87 FR 19159 (April 1, 2022), (SR-CboeBYX-2022-006).

<sup>6</sup> The FSAWP is a waiver program for eligible individuals who have left a member firm to work for a foreign or domestic financial services affiliate of a member firm. FINRA stopped accepting new participants for the FSAWP beginning on March 15, 2022; however, individuals who were already participating in the FSAWP prior to that date had the option of continuing in the FSAWP.

<sup>7</sup> See Securities Exchange Act Release No. 97184 (March 22, 2023), 88 FR 18359 (March 28, 2023) (SR-FINRA-2023-005).

<sup>8</sup> See Rules 2.16(c), 2.16.01, and 2.16.02.

<sup>9</sup> The Exchange determined to treat the individuals who enrolled during the first period (between January 31, 2022, and March 15, 2022) the same as those who enrolled during the second period (between October 19, 2023, and December 31, 2023) for purposes of the March 31, 2024, deadline for completion of prescribed 2022 and 2023 CE content. This is because those who had enrolled in the MQP during the first period satisfied all of the eligibility criteria for enrollment during the second period and would have been able to complete their prescribed CE content by March 31, 2024, had they chosen to enroll during the second period instead of enrolling during the first period.

<sup>10</sup> See Securities Exchange Act Release No. 100067 (May 6, 2024), 89 FR 40520 (May 10, 2024) (SR-FINRA-2024-006).

<sup>11</sup> This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

<sup>4</sup> 17 CFR 240.19b–4(f)(6).

<sup>5</sup> See Securities Exchange Act Release No. 93097 (September 21, 2021), 86 FR 53358 (September 27,

participation in the MQP for 2024 instead of completing their prescribed CE.<sup>12</sup> Per the FINRA Rule Change, FINRA believes that some of those individuals may have been confused by the layout of their FinPro accounts. Specifically, if they selected the 2024 renewal banner, which was prominently displayed on their FinPro accounts, and completed the renewal process, they would not have been automatically redirected to complete any prescribed CE. Therefore, individuals may have inadvertently assumed that completion of the renewal process alone would have satisfied all of the necessary requirements to continue their participation in the MQP.<sup>13</sup>

For similar reasons and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange is also proposing to amend its rules (*i.e.*, Exchange Rule 2.16.01) to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between the effective date of this filing, and July 1, 2024, to be eligible to continue their participation in the MQP.<sup>14</sup> In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and the effective date of this filing, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>15</sup> Specifically,

<sup>12</sup> Look-Back Individuals who enrolled in the MQP have until December 31, 2024, to renew their participation in the MQP for 2024, provided that they complete their prescribed CE by the stated deadline.

<sup>13</sup> According to FINRA, a number of these individuals contacted FINRA to confirm whether they were required to satisfy any additional requirements other than completing the 2024 renewal. To provide FINRA with additional time to assess the situation, FINRA temporarily changed the March 31, 2024, due date for CE completion in its systems. This may have compounded the confusion because any Look-Back Individual who may have logged into their FinPro account during this time would have seen an interim CE completion date and would have been able to complete their prescribed CE content based on that interim CE completion date.

<sup>14</sup> This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

<sup>15</sup> 15 U.S.C. 78f(b).

the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>16</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>17</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that reopening the period by which Look-Back Individuals will be able to complete their prescribed 2022 and 2023 CE content is appropriate under the circumstances. As FINRA noted in the FINRA Rule Change, Look-Back Individuals who had enrolled in the MQP in 2022 and 2023 but had not completed their prescribed 2022 and 2023 CE content by the March 31, 2024 deadline may have been confused, as described above. The Exchange believes that participation in the MQP reduces unnecessary impediments to requalification for these individuals without diminishing investor protection. In addition, the proposed rule change is consistent with other goals, such as the promotion of diversity and inclusion in the securities industry by attracting and retaining a broader and diverse group of professionals. The MQP also allows the industry to retain expertise from skilled individuals, providing investors with the advantage of greater experience among the individuals working in the industry. The Exchange believes that reopening the CE completion period, as proposed, will further these goals and objectives.

Further, the Exchange believes the proposed amendments reduce the possibility of a regulatory gap between Exchange and FINRA rules, providing more uniform standards across the securities industry. The Exchange believes that the proposed rule change will bring consistency and uniformity with FINRA's recently amended CE Program, which will, in turn, assist members and their associated persons in complying with these rules and improve regulatory efficiency. The proposed rule

<sup>16</sup> 15 U.S.C. 78f(b)(5).

<sup>17</sup> *Id.*

changes make ministerial changes to the Exchange's CE rules to align them with the CE rules of FINRA, in order to prevent unnecessary regulatory burdens and to promote efficient administration of the rules.

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule changes which are, in all material respects, based upon and substantially similar to, recent rule changes adopted by FINRA, will reduce the regulatory burden placed on market participants engaged in trading activities across different markets. The Exchange believes that the harmonization of the CE Program requirements across the various markets will reduce burdens on competition by removing impediments to participation in the national market system and promoting competition among participants across the multiple national securities exchanges.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>18</sup> and Rule 19b-4(f)(6) thereunder.<sup>19</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>20</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant

<sup>18</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>19</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>20</sup> 17 CFR 240.19b-4(f)(6).

to Rule 19b4(f)(6)(iii),<sup>21</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange, like FINRA, requests that the proposed rule change become operative as quickly as possible so FINRA, on behalf of the Exchange, can communicate the rule change to impacted individuals in a timely manner. Waiver of the operative delay would allow the Exchange to implement the proposed changes to its CE rules without delay, thereby eliminating the possibility of a significant regulatory gap between the FINRA and the Exchange rules, providing more uniform standards across the securities industry, and helping to avoid confusion for Exchange members that are also FINRA members. For these reasons, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.<sup>22</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) <sup>23</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.
