ACTION: 30-day Notice and request for comment.

SUMMARY: The Department of Homeland Security (DHS), Science & Technology (S&T) Directorate invites the general public to comment on data collection forms for the External S&T Collaboration Site (E-STCS) program. E-STCS is responsible for providing a collaborative environment for practitioners from first responders, academia, organizations, law enforcement, and the private sector. This clearinghouse will enable its users to share information, best practices and lessons learned within a secure collaborative environment. Registration information will be collected only when needed for users who require further access beyond the E-STCS landing page. The information collected is used by the DHS S&T E-STCS program to determine the authenticity and suitability of the practitioner requesting access. Once approved, users will utilize the collaborative environment to exchange information, network with other users, as well as post blogs and comments.

The DHS invites interested persons to comment on the following form and instructions (hereinafter "Forms Package") for the S&T E-STCS: Request an E-STCS Account (DHS Form 10074). Interested persons may receive a copy of

the Forms Package by contacting the DHS S&T PRA Coordinator. This notice and request for comments is required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. chapter 35).

DHS is particularly interested in comments that:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Suggest ways to enhance the quality, utility, and clarity of the information to be collected; and
