## OFFICE OF SCIENCE AND TECHNOLOGY POLICY

### President's Council of Advisors on Science and Technology

*Notice of Meeting:* Open Regional Meeting of the President's Council of Advisors on Science and Technology, Working Group on Advanced Manufacturing.

**ACTION:** Public Notice.

**SUMMARY:** This notice sets forth the schedule and summary agenda for an open regional meeting of the President's Council of Advisors on Science and Technology (PCAST), Working Group on Advanced Manufacturing, and describes the functions of the Council and its Working Group.

**DATES:** December 12, 2011.

**ADDRESSES:** The meeting will be held at the University of Michigan North Campus Research Complex, 2800 Plymouth Road, Building 18, Ann Arbor, MI 48109-2800.

*Type of Meeting:* Open.

*Proposed Schedule and Agenda:* The President's Council of Advisors on Science and Technology (PCAST), Working Group on Advanced Manufacturing will hold a regional meeting at the University of Michigan North Research Complex from 8:30 a.m. to 2:45 p.m. on December 12, 2011.

Advanced manufacturing will provide the basis for high-quality jobs for Americans and sustain U.S. competitiveness in the 21st century. To ensure that the United States attracts manufacturing activity and remains a leader in knowledge production, PCAST recommended in its June 2011 "Report to the President on Ensuring American Leadership in Advanced Manufacturing" that the Federal Government create a fertile environment for innovation and make investments to ensure that new technologies and design methodologies are developed in the United States, and that technology-based enterprises have the infrastructure to flourish here.

On the basis of that report, President Obama established PCAST's Advanced Manufacturing Partnership (AMP) Steering Committee to provide additional advice to the government on how to catalyze investment in and deployment of emerging technologies
