[AAG/A Order No. 211-2000]

Privacy Act of 1974; System of Records

AGENCY: Federal Bureau of Investigation, DOJ.

ACTION: Notice.

SUMMARY: Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), and Office of Management and Budget (OMB) Circular No. A-130, notice is hereby given that the Department of Justice, Federal Bureau of Investigation (FBI), is modifying the following system of records which was last published in the **Federal Register** on November 25, 1998 (63 FR 65223):

The National Instant Criminal Background Check System (NICS) JUSTICE/FBI-018.

Opportunity For Comment

The Privacy Act (5 U.S.C. 552a(e)(4) and (11)) requires that the public be given 30 days in which to comment on any new or amended uses of information in a system of records. In addition, in accordance with Privacy Act requirements (5 U.S.C. 552a(r)), the Department of Justice has provided a report on these modifications to OMB and the Congress. OMB, which has oversight responsibilities under the Act, requires that OMB and the Congress be given 40 days in which to review major changes to Privacy Act systems. FOR FURTHER INFORMATION CONTACT:

Mary E. Cahill, Management Analyst, Management and Planning Staff, Justice Management Division, Department of Justice, 1400 National Place Building, Washington, DC 20530.

EFFECTIVE DATE: These proposed changes will be effective January 23, 2001, unless comments are received that result in a contrary determination.

SUPPLEMENTARY INFORMATION: The Department is modifying the system of records to clarify that the NICS contains records of appealed transactions in an appeals file which is separate from and in addition to the NICS Audit Log. (Although the NICS Audit Log is also used to record basic comments relating to appealed transactions.) Accordingly, we have added "Appeals Records" to the list of categories of records in the system.

Clarification was made to the category of "aliens" who are covered by the system. The revision notes that the category also includes aliens who have been admitted to the United States under a non-immigrant visa.

An introductory paragraph has been inserted into the "Routine Uses" section which sets the context for the enumerated uses that follow. We are also providing clarification through the promulgation of one new routine use
