

amendments to SCCP Rule 3 and to SCCP's Articles of Incorporation would simply assure that those ETP holders wishing to become SCCP participants themselves will be treated by SCCP in the same fashion as SCCP participants who are PHLX members.

SCCP believes the proposed rule change is consistent with the requirements of section 17A(b)(3)(F) of the Act and the rules and regulations thereunder.<sup>6</sup> That provision requires that a clearing agency be organized and its rules be designed, among other things, to promote the prompt and accurate clearance and settlement of securities transactions, to safeguard funds and securities in its possession and control, and to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of securities transactions, and that such rules not be designed to permit unfair discrimination in the admission of participants.

*(B) Self-Regulatory Organization's Statement on Burden on Competition*

SCCP does not believe that the proposed rule change will impose any inappropriate burden on competition.

*(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others*

No written comments were either solicited or received by SCCP. However, PHLX has received a number of written comments on its proposal to implement an equity trading permit program.<sup>7</sup>
