The period of review (POR) is February 1, 2022, through January 31, 2023. Commerce preliminarily finds that the producers/exporters subject to this administrative review did not make sales of subject merchandise at prices below normal value (NV) during the POR. On February 10, 2000, Commerce published in the **Federal Register** the AD order on CTL plate from Korea.¹ On April 11, 2023, based on timely requests for an administrative review, Commerce initiated this administrative review of the *Order* with respect to four companies² and subsequently selected Dongkuk Steel Mill Co., Ltd., and Hyundai Steel Company as the mandatory respondents.³ On October 12, 2023, we extended the deadline to issue these preliminary results until February 28, 2024.⁴

Scope of the Order

The merchandise covered by the *Order* is CTL plate from Korea. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁵

Assessment Rates

Upon issuance of the final results of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S.

Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).¹⁵ If the respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with the *Final Modification for Reviews*.¹⁶

For entries of subject merchandise during the POR produced by either of the individually examined respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate these entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2022, through January 31, 2023, in accordance with 19 CFR 351.212(c)(1)(i).

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁸ We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.

Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of this review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 0.98 percent, the all-others rate established in the investigation.¹⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.

¹¹ See 19 CFR 351.309(c)(2) and (d)(2).

SUPPLEMENTARY INFORMATION:

Background

On February 16, 2021, Commerce published a countervailing duty (CVD) order on millwork products from China.¹ The Coalition of American Millwork Producers (the petitioner) and other interested parties requested that Commerce conduct an administrative review of the *Order*. On April 11, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the *Order*.² We initiated an administrative review of 41 producers/exporters of millwork products from China for the POR. On July 10, 2023, Commerce selected Fujian Jinquan Trade Co., Ltd. (Jinquan) and Fujian Yinfeng Imp & Exp Trading Co., Ltd. (Yinfeng) as the mandatory respondents in this administrative review.³

On October 2, 2023, Commerce extended the deadline for the preliminary results of this review to no later than February 28, 2024.⁴

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum.⁵ A list of topics discussed in the Preliminary Decision Memorandum is included at Appendix I. Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. On July 7, 2023, Jeld-Wen, Inc. timely withdrew its request for review for two of the eight companies for which it had requested a review.⁶ On July 10, 2023, the petitioner timely withdrew its requests for review of four companies.⁷ For each of the companies for which all requests for review were timely withdrawn and which are not cross-owned with a mandatory respondent, we are rescinding this review, in part, with respect to these companies pursuant to 19 CFR 351.213(d)(1).⁸

On September 14, 2023, Commerce notified interested parties that it intended to rescind this administrative review with respect to certain companies, in the absence of suspended entries during the POR.⁹ Two companies listed in our Intent to Rescind Memorandum, Anji Huaxin Bamboo & Wood Products Co., Ltd. and Composite Technology International, Limited, submitted comments claiming that they had entries of subject merchandise during the POR.¹⁰ As we require more time to fully examine the companies' claims and request additional information, if necessary, we are not rescinding the review of these two companies at this time, and will make a determination in the final results. With respect to the remaining 13 companies noted in our Intent to Rescind Memorandum and for which all review requests were not timely withdrawn,¹¹ we find that there were no reviewable entries of subject merchandise during the POR. As a result, we are rescinding this review, pursuant to 19 CFR 351.213(d)(3), with respect to these companies. On May 11, 2023, Homebuild Industries Co., Ltd.
