

veterans' preference will maintain their rights under current law and regulation.

Reason for amendment: This change allows consistent application of the extended probationary period, and better aligns the probationary period with the time needed to demonstrate satisfactory performance within each individual career track.

2. On page 77402, figure number in footer on bottom of "Eligibility Chart for Pay Increases": Replace "Figure 10. Eligibility Chart for Pay Increases" with "Figure 9. Eligibility Chart for Pay Increases".

Reason for change: To correct typographical errors in the figure number.

3. On page 77403, Section IV.C.8.b. Advancements in Pay Band Which Must be Approved by the Executive Director, replace the section with: Advancement to (1) Pay Bands outside target pay bands or established position management criteria, and (2) Pay Band V of the S&E Professional Career Track require approval by the Executive Director without further delegation. Details regarding the process for nomination and consideration, format, selection criteria, and other aspects of this process will be addressed in the standard operating procedures and/or related instruction.

Reason for amendment: Removing the requirement of Executive Director approval for advancements in Pay Bands IV and V of the Administrative Specialist and Professional Career Track, and Pay Band IV of the S&E Career Track provides department heads and senior leadership a path to advance employees appropriately through the pay pool panel process. Since the determination of suitability for advancement rests with the department heads and other senior leadership (including the pay pool managers), this change simply places the authority to approve such decisions with those determining their appropriateness, while retaining the Pay Pool Review Authority's full authority and responsibility through the Pay Pool Panel review process.

4. On page 77416, right hand column, third block Part 351, subpart G, section 351.701—Assignment Involving Displacement, replace paragraph (a) with: Waive to allow minimally successful or equivalent to be defined as an employee who does not have a current written notice of unacceptable performance.

Reason for amendment: This change is to prevent any possible categorization of an employee as "unacceptable" in terms of RIF, when that employee is overcompensated as a result of coming

off of maintained pay and does not receive any increase during the CCS payout, but whose performance was acceptable.

5. On page 77416, right hand column, third block, last line: Replace "(e)(I)" with "(e)(1)".

Reason for change: To correct typographical errors.

6. On page 77418, left hand column, second block: Replace "Chapter 52, subpart I, section 5301—Pay Policy. Waive in entirety." with "Chapter 53, subchapter I, section 5301—Pay Policy. Waive in entirety."

Reason for change: To correct typographical errors.

7. On page 77418, left hand column, second block: Replace "Chapter 53, subpart I, section 5303—Special Pay Authority. Waive in entirety." with "Chapter 53, subchapter I, section 5305—Special Pay Authority. Waive in entirety."

Reason for change: To correct typographical errors.

8. On page 77419, left hand column, third block: Replace "Chapter 55, section 5455(d)—Hazardous Duty Differential" with "Chapter 55, section 5545(d)—Hazardous Duty Differential"

Reason for change: To correct typographical errors.

9. On page 77419, left hand column, last block (continues on top of page 77420) Appendix B: Required Waivers to Laws and Regulations chart replace all of the material in that block with: "Chapter 75, sections 7501(1), 7511(a)(1)(A)(ii), and 7511(a)(1)(C)(ii); Adverse Actions—Definitions. Waived to the extent necessary to allow extended probationary periods and to permit termination during the extended probationary period without using adverse action procedures for those individuals serving a probationary period under an initial appointment except for those with veterans' preference."

Reason for amendment: This amendment allows ONR to fully utilize its flexibility of extended probationary periods by permitting terminations during these extended probationary periods.

10. On page 77420, right hand column, first block Appendix B: Required Waivers to Laws and Regulations chart, add this paragraph to the block (currently blank): "Part 752, sections, 752.201 and 752.401: Principal statutory requirements and coverage. Waived to the extent necessary to allow extended probationary periods and to permit termination during the extended probationary period without using adverse action procedures for those individuals serving a probationary

period under an initial appointment except those with veterans' preference."

Reason for amendment: This amendment allows ONR to fully utilize its flexibility of extended probationary periods by permitting terminations during these extended probationary periods.

11. On page 77420, right hand column, second block: Delete the three references to "Part 572" and replace with "Part 752".

Reason for change: To correct typographical errors.

12. On page 77420, right hand column, second block: Replace "subpart A" with "subpart D".

Reason for change: To correct typographical errors.

13. On page 77420, right hand column, third block, first paragraph, delete "subpart B" and replace with "subpart D".

Reason for change: To correct typographical errors.

14. On page 77429, title (header data): Replace "ELEMENT 2. PROGRAM EXECUTION AND LIAISON" with "ELEMENT 2. PROGRAM EXECUTION AND LIAISON".

Reason for change: To correct typographical errors.
