

**SUPPLEMENTARY INFORMATION:****Time Limits**

Section 351.214(i) of the regulations requires the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 351.214(i)(2) of the regulations allows the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

**Background**

On March 28, 2003 the Department received a timely request from Shanghai Ocean Flavor, in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the regulations, for a new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China ("PRC"), which has a September anniversary date. On April 30, 2003 the Department initiated this new shipper review covering the period September 1, 2002 through February 28, 2003. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Antidumping Review* (68 FR 23962). The preliminary results of review are currently due October 27, 2003.

**Extension of Time Limit for Preliminary Results**

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. The Department finds that this new shipper review is extraordinarily complicated because there are a number of issues that must be addressed. For example, the Department issued a supplemental questionnaire regarding possible affiliations as well as supplemental questions regarding the importer of the subject merchandise. This information may necessitate a request of additional information from Shanghai Ocean Flavor and its importer. Therefore, in accordance with section 351.214(i)(2) of the regulations, the Department is extending the time limit

for the completion of preliminary results by 120 days. The preliminary results are now due no later than February 24, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: September 9, 2003.
