2023 Civil Monetary Penalties Inflation Adjustments for Ethics in Government Act Violations

AGENCY: Office of Government Ethics.

ACTION: Final rule.

SUMMARY: In accordance with the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, the U.S. Office of Government Ethics is issuing this final rule to make the 2023 annual adjustments to the Ethics in Government Act civil monetary penalties.

DATES: This final rule is effective January 15, 2023.

FOR FURTHER INFORMATION CONTACT: Margaret Dylus-Yukins, Assistant Counsel, General Counsel and Legal Policy Division, Office of Government

Ethics, Telephone: 202-482-9300; TTY: 800-877-8339; FAX: 202-482-9237.

SUPPLEMENTARY INFORMATION:**I. Background**

In November 2015, Congress passed the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Sec. 701 of Pub. L. 114-74) (the 2015 Act), which further amended the Federal Civil Penalties Inflation Adjustment Act of 1990 (Pub. L. 101-410). The 2015 Act required Federal agencies to make inflationary adjustments to the civil monetary penalties (CMPs) within their jurisdiction with an initial “catch-up” adjustment through an interim final rule effective no later than August 1, 2016, and further mandates that Federal agencies make subsequent annual inflationary adjustments of their CMPs, to be effective no later than January 15 of each year.

The Ethics in Government Act of 1978 as amended, Chapter 131, title 5 of the United States Code, provides for five CMPs.¹ Specifically, the Ethics Act provides for penalties that can be assessed by an appropriate United States district court, based upon a civil action brought by the Department of Justice, for the following five types of violations:

(1) knowing and willful failure to file, report required information on, or falsification of a public financial disclosure report, 5 U.S.C. 13106(a), 5 CFR 2634.701(b);

(2) knowing and willful breach of a qualified trust by trustees and interested parties, 5 U.S.C. 13104(f)(6)(C)(i), 5 CFR 2634.702(a);

(3) negligent breach of a qualified trust by trustees and interested parties, 5 U.S.C. 13104(f)(6)(C)(ii), 5 CFR 2634.702(b);

(4) misuse of a public report, 5 U.S.C. 13107(c)(2), 5 CFR 2634.703; and

(5) violation of outside employment/activities provisions, 5 U.S.C. 13145(a), 5 CFR 2636.104(a).

In compliance with the 2015 Act and guidance issued by the Office of Management and Budget (OMB), the U.S. Office of Government Ethics (OGE) made previous inflationary adjustments

¹ OGE has previously determined, after consultation with the Department of Justice, that the \$200 late filing fee for public financial disclosure reports that are more than 30 days overdue (see section 104(d) of the Ethics Act, Chapter 131, title 5 of the United States Code, 104(d), and 5 CFR 2634.704 of OGE’s regulations thereunder) is not a CMP as defined under the Federal Civil Penalties Inflation Adjustment Act, as amended. Therefore, that fee is not being adjusted in this rulemaking (nor was it adjusted by OGE in previous CMP rulemakings), and will remain at its current amount of \$200.

to the five Ethics Act CMPs, and is issuing this rulemaking to effectuate the 2023 annual inflationary adjustments to those CMPs. In accordance with the 2015 Act, these adjustments are based on the percent change between the Consumer Price Index for all Urban Consumers (CPI-U) for the month of October preceding the date of the adjustment, and the prior year’s October CPI-U. Pursuant to OMB guidance, the cost-of-living adjustment multiplier for 2022, based on the CPI-U for October 2021, not seasonally adjusted, is 1.07745. To calculate the 2023 annual adjustment, agencies must multiply the most recent penalty by the 1.07745 multiplier, and round to the nearest dollar.

Applying the formula established by the 2015 Act and OMB guidance, OGE is amending the Ethics Act CMPs through this rulemaking to:

(1) Increase the three penalties reflected in 5 CFR 2634.702(a), 2634.703, and 2636.104(a)—which were previously adjusted to a maximum of \$22,021—to a maximum of \$23,727;

(2) Increase the penalty reflected in 5 CFR 2634.702(b)—which was previously adjusted to a maximum of \$11,011—to a maximum of \$11,864; and

(3) Increase the penalty reflected in 5 CFR 2634.701(b)—which was previously adjusted to a maximum of \$66,190—to a maximum of \$71,316.

These adjusted penalty amounts will apply to penalties assessed after January 15, 2023 (the effective date of this final rule) whose associated violations occurred after November 2, 2015.

OGE will continue to make future annual inflationary adjustments to the Ethics Act CMPs in accordance with the statutory formula set forth in the 2015 Act and OMB guidance.

II. Matters of Regulatory Procedure*Administrative Procedure Act*

Pursuant to 5 U.S.C. 553(b), as Director of the Office of Government Ethics, I find that good cause exists for waiving the general notice of proposed rulemaking and public comment procedures as to these technical amendments. The notice and comment procedures are being waived because these amendments, which concern matters of agency organization, procedure and practice, are being adopted in accordance with statutorily mandated inflation adjustment procedures of the 2015 Act, which specifies that agencies shall adjust civil monetary penalties notwithstanding Section 553 of the Administrative Procedure Act. It is also in the public interest that the adjusted rates for civil

monetary penalties under the Ethics in Government Act become effective as soon as possible in order to maintain their deterrent effect.

Regulatory Flexibility Act

As the Director of the Office of Government Ethics, I certify under the Regulatory Flexibility Act (5 U.S.C. chapter 6) that this final rule would not have a significant economic impact on a substantial number of small entities because it primarily affects current Federal executive branch employees.

Paperwork Reduction Act

The Paperwork Reduction Act (44 U.S.C. chapter 35) does not apply because this regulation does not contain information collection requirements that require approval of the Office of Management and Budget.

Unfunded Mandates Reform Act

For purposes of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. chapter 5, subchapter II), this rule would not significantly or uniquely affect small governments and will not result in increased expenditures by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (as adjusted for inflation) in any one year.

Executive Order 13563 and Executive Order 12866

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select the regulatory approaches that maximize net benefits

(including economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. The Office of Management and Budget has determined that rulemakings such as this implementing annual inflationary adjustments under the 2015 Act are not significant regulatory actions under Executive Order 12866.

Executive Order 12988

As Director of the Office of Government Ethics, I have reviewed this rule in light of section 3 of Executive Order 12988, Civil Justice Reform, and certify that it meets the applicable standards provided therein.
