Abstract: The BIA is seeking renewal of the approval for the information collection conducted under 25 U.S.C. 43, 36 Stat. 472, inter alia, and implementing regulations, at 25 CFR part 5, regarding verification of Indian preference for employment. The purpose of Indian preference is to encourage qualified Indian persons to seek employment with the BIA and the Indian Health Service (IHS) by offering preferential treatment to qualified candidates of Indian heritage. The BIA collects the information to ensure compliance with Indian preference hiring requirements. The information collection relates only to individuals applying for employment with the BIA and/or IHS. The tribe's involvement is limited to verifying membership information submitted by the applicant. You are eligible for preference if (a) you are a member of a federally recognized Indian tribe; (b) you are a descendent of a member and you were residing within the present boundaries of any Indian reservation on June 1, 1934; (c) you are an Alaska native; or (d) you possess one-half degree Indian blood derived from tribes that are indigenous to the United States.

Abstract: The Bureau of Indian Affairs (BIA) is seeking renewal of the approval for the information collection conducted under 25 CFR 11.600(c) and 11.606(c). This information collection allows the Clerk of the Court of Indian Offenses to collect personal information necessary for a Court of Indian Offenses to issue a marriage license or dissolve a marriage. Courts of Indian Offenses have been established on certain Indian reservations under the authority vested in the Secretary of the Interior by 5 U.S.C. 301 and 25 U.S.C. 2, 9, and 13, which authorize appropriations for "Indian judges." The courts provide for the administration of justice for Indian tribes in those areas where the tribes retain jurisdiction over Indians, exclusive of State jurisdiction, but where tribal courts have not been established to exercise that jurisdiction and the tribes has, by resolution or constitutional amendment, chosen to use the Court of Indian Offenses. Accordingly, Courts of Indian Offenses exercise jurisdiction under 25 CFR 11. Domestic relations are governed by 25 CFR 11.600, which authorizes the Court of Indian Offenses to conduct and dissolve marriages.

In order to obtain a marriage licenses in a Court of Indian Offenses, applicants must provide the six items of information listed in 25 CFR 11.600(c), including identifying information, such as a Social Security number, information on previous marriage, relationship to the other applicant, and a certificate of the results of any medical examination required by applicable tribal ordinances or the laws of the State in which the Indian country under the jurisdiction of the Court of Indian Offenses is located. there is serious marital discord warranting dissolution, and information on the children of the marriage and whether the wife is pregnant (for the court to determine the appropriate level of support that may be required from the non-custodial parent). (25 CFR 11.601) Two forms are used as part of this information collection, the Marriage License Application and the Dissolution of Marriage Application.

17. Secretarial Elections

Abstract: Under the Indian Reorganization Act, Tribes have the right to organize and adopt constitutions, bylaws, and any amendments thereto, and ratify charters of incorporation, through elections called by the Secretary of the Interior, according to rules prescribed by the Secretary. See 25 U.S.C. 476, 477, 503. The Secretary's rules for conducting these elections, known as "Secretarial elections," and approving the results are at 25 CFR 81. In most cases, the Tribe requests a Secretarial election; however, an individual voting member of a Tribe may also request a Secretarial election by petition. These rules also establish the procedures for an individual to petition for a Secretarial election. The BIA requires the Tribe to submit a formal request for Secretarial election, including: A Tribal resolution; the document or language to be voted on in the election; a list of all Tribal members who are age 18 or older in the next 120 days (when the election will occur), including their last known addresses, voting districts (if any), and dates of birth, in an electronically sortable format. While much of the information the Tribe prepares for a Secretarial election (e.g., list of members eligible to vote) would be required if the Tribe instead conducted its own Tribal election, the Secretary's rules establish specifics on what a Tribal request or petition for election must contain. These specifics are necessary to ensure the integrity of Secretarial elections and allow the BIA and Tribal personnel the ability to consistently administer elections.
