Evidence From Excluded Medical Sources of Evidence—20 CFR 404.1503b and 416.903b—0960-0803. Section 812 of the Bipartisan Budget Act of 2015 (BBA), “Exclusion of certain medical sources of evidence,” mandates that the Social Security Administration (SSA) exclude evidence in disability decisions from certain medical sources. BBA Section 812 amended section 223(d)(5) of the Social Security Act (Act) by adding a subsection “C.” Section 223(d)(5)(C)(i) of the Act, as amended, requires SSA to exclude evidence (except for good cause) from medical sources: (1) convicted of a felony under sections 208 or 1632 of the Act; (2) excluded from participating in any Federal health care program under section 1128 of the Act; or (3) imposed with a civil monetary penalty (CMP), assessment, or both, for submitting false evidence, under section 1129 of the Act. We also implemented section 223(d)(5)(C), as amended, through regulations at 20 CFR 404.1503b and 416.903b of the Code of Federal Regulations. These regulations require excluded medical sources to self-report their excluded status, in writing, each time they submit evidence related to a claim for benefits under Titles II or XVI of the Act. Excluded medical sources’ duty to self-report their excluded status applies to evidence they submit to SSA directly, or through a representative, claimant, or other individual or entity. As needed, SSA informs the medical sources we suspect should be excluded of these requirements through a Fact Sheet we send to them via mail, or which they can find on our website where we list the regulatory requirements under BBA section 812. In addition, along with the Fact Sheet and website, we provide sample statements as templates the affected medical sources can use to create their own written statements as required under our regulations. The respondents for this collection are medical sources that: (1) meet one of the exclusionary categories set forth in section 223(d)(5)(C)(i) of the Act, as amended; (2) furnish evidence related to a claim for benefits under Titles II or XVI of the Act; and (3) had failed to self-identify as an excluded source of medical evidence as required in section 223(d)(5)(C)(i).

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than March 23, 2023. Individuals can obtain copies of these OMB clearance packages by writing to [OR.Reports.Clearance@ssa.gov](mailto:OR.Reports.Clearance@ssa.gov).

1. Incorporation by Reference of Oral Findings of Fact and Rationale in Wholly Favorable Written Decisions (Bench Decision Regulation)—20 CFR 404.953 and 416.1453—0960–0694. If a judge makes a wholly favorable oral decision, including all the findings and rationale for the decision for a claimant

of Title II or Title XVI payments, at an administrative appeals hearing, the judge sends a Notice of Decision (Form HA–82), as the records from the oral hearing preclude the need for a written decision. We call this the incorporation-by-reference process. In addition, as part of the information we include on the HA–82, if the involved parties want a record of the oral decision, they may submit a written request for these records. As explained to the respondent on the HA–82, SSA collects identifying information under the aegis of sections 20 CFR 404.953 and 416.1453 of the Code of Federal Regulations to determine how to send interested individuals written records of a favorable incorporation-by-reference oral decision made at an administrative

review hearing. Since SSA did not create a form for the public to use to request a written record of the decision, the involved parties send SSA their contact information and reference the hearing for which they would like a record to the hearings office indicated on the HA–82. SSA employees collect this information only once. The respondents are applicants for Disability Insurance Benefits and Supplemental Security Income (SSI) payments based on disability, or their representatives as applicable, who receive a fully favorable oral decision under the regulations cited above, and who choose to request a copy of the records for this decision.

2. Request for Waiver of Special Veterans Benefits (SVB) Overpayment Recovery or Change in Repayment Rate—20 CFR 408.900–408.950–0960–0698. Title VIII of the Social Security Act (Act) requires SSA to pay a monthly benefit to qualified World War II veterans who reside outside the United States. When SSA notes an overpayment in this SVB, we inform the beneficiary.

As part of the information we send, SSA explains how the beneficiary can request a waiver of recovery of the overpayment or a change in the repayment rate. SSA requests the respondent to submit Form SSA–2032–BK via mail to ensure SSA obtains the information necessary to establish whether the claimant meets the waiver of recovery provisions of the

overpayment, and to determine the repayment rate if we do not waive repayment. Respondents are SVB beneficiaries who have overpayments on their Title VIII record and wish to file a claim for waiver of recovery or change in repayment rate.

*Type of Request:* Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **

3. Methods for Conducting Personal Conferences When Waiver of Recovery of a Title II or Title XVI Overpayment Cannot Be Approved—20 CFR 404.506 & 416.557–0960–0769. SSA conducts personal conferences when we cannot approve a waiver of recovery of a Title II or Title XVI overpayment. The Act and our regulatory citations require SSA to give overpaid Social Security beneficiaries and SSI recipients the right to request a waiver of recovery and automatically schedule a personal conference if we cannot approve their request for waiver of overpayment. We

conduct these conferences face-to-face, via telephone, or through video teleconferences. Social Security beneficiaries and SSI recipients or their representatives may provide documents to demonstrate they are without fault in causing the overpayment and do not have the ability to repay the debt. They may submit these documents by completing Form SSA-632, Request for Waiver of Overpayment Recovery (OMB No. 0960-0037); Form SSA-795, Statement of Claimant or Other Person (OMB No. 0960-0045); or through a personal statement submitted by mail,

telephone, personal contact, or other suitable method, such as fax or email. This information collection satisfies the requirements for request for waiver of recovery of an overpayment and allows individuals to pursue further levels of administrative appeal via personal conference. Respondents are Social Security Title II beneficiaries and Title XVI SSI recipients or their representatives seeking reconsideration of an SSA waiver decision.
